Tulisa tops up her tan!

Miss Contostavlos turns up the heat in Hawaii!

OUR IDEA of mixing business with pleasure is sneaking an extra pint on expenses when we do a stunt in a pub. For that nice Miss C, it's a bit more swish as she skipped along the beaches of Hawaii after shooting the vid for her new single. So, if she sneaked an extra WKD onto her music company's tab, we'd have something to talk about on our first date. Which is definitely going to happen.

ULTRA-SEXY!

"Hi! I'm Tulisa, and I'll be your Interflora delivery today!"

NUTS INVESTIGATION!

Nuts tests swimming look!

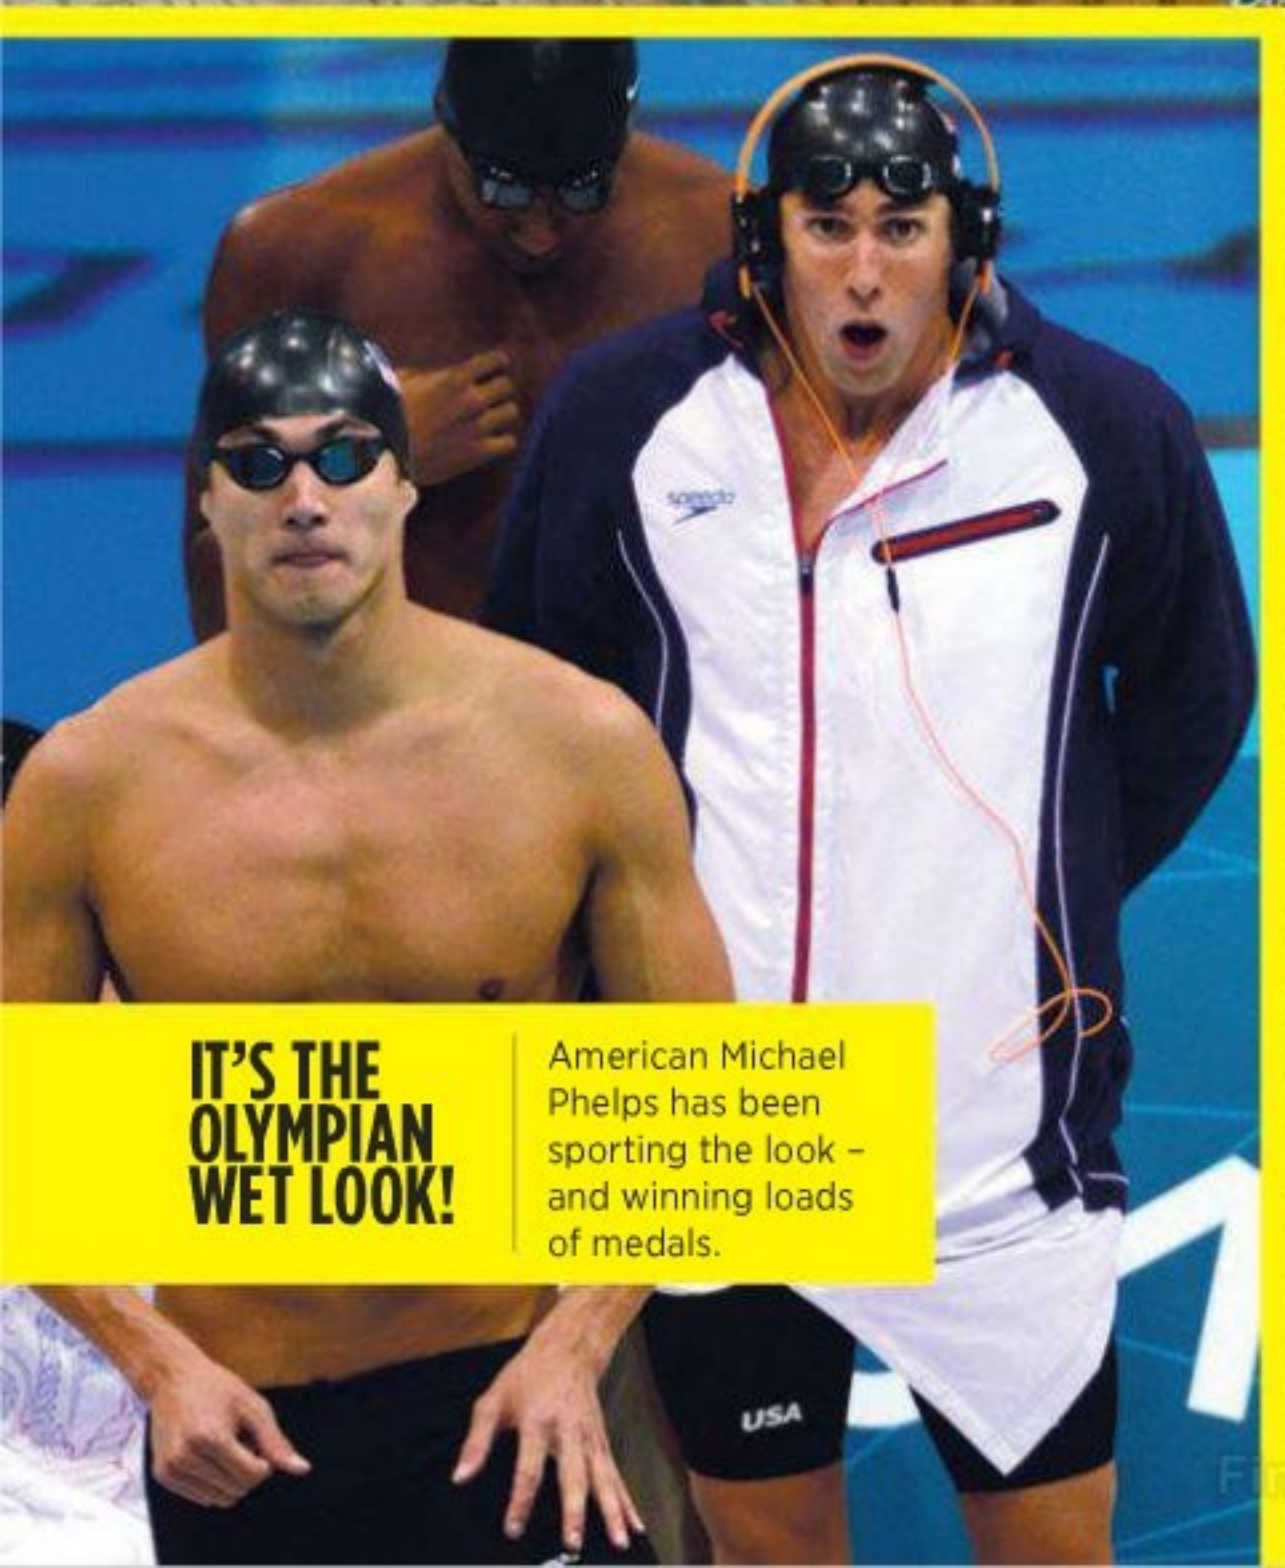

Lycra, rubber hats and headphones – are they sexy?

THE OLYMPICS has taught us so much about the tastes of women – apparently, muscular men in leggings are sexy, loafing around in your pants eating oven chips isn't. Who knew? Last week, we discovered ladies like cyclists, so this week, we continued our investigation by testing out the Olympic swimmer look: goggles, absurdly loud Beats By Dre headphones and Lycra leggings that show off rather too much. On your marks... get set... flirt!

DROWN IN ONE!

IT'S THE OLYMPIAN WET LOOK!

American Michael Phelps has been sporting the look – and winning loads of medals.

Balding and Foster took a well-earned break

"Ha! Look how silly she looks in this!"

What the ladies say!

Lucy 24 London

"You look hot. I'm a fan of swimming and Tom Daley is very sexy."

Dee 23 London

"You look lean and lovely, but put some socks on. Flip-flops are a no-no."

Julie 39 Surrey

"Champions! In fact, I think I've become pregnant just looking at you."

Kerstin 25 Germany

"Ach, das ist nicht sexy!" [Translation: "Oh, that is not sexy!"]

VERDICT: The swimmer look is a hit, unless the lady beholding it is a German. And let's face it, if we were to style ourselves according to the preferences of Germans, we'd look terrible.

"This little-known sport is called dry-diving"

The Chemical Brothers had fallen on hard times

"Last one to France is a wuss!"

Nuts NEWS

"Stop doing Jonny Wilkinsons!"

MOST DISAPPOINTING BEACH VOLLEYBALL KIT: USA

The last thing we'd expect from the usually unashamedly sexy USA athletes was an all-black, ankle-to-wrist, Sharia law-approved beach volleyball kit. Black card. Disqualified.

Flag? Is she holding a flag? We hadn't noticed

HOTTEST ATHLETE: LERYN FRANCO

Claiming gold in our hearts is Paraguayan javelin chucker Leryn. Sadly/brilliantly, her best sporting achievement to date is appearing in the 2011 *Sports Illustrated* swimsuit edition.

Nuts alternative gold medals!

The Olympic gongs of "different" success!

➔ **AT THE** time of writing we're a week into the best Olympics of all time. Team GB is rocketing up the medal table and the nation is bursting with Olympic fever!

But where the IOC rewards the physical lottery-winning jumpers, bungers and paddlers, here at *Nuts* we prefer to recognise the more left-field achievements of London 2012. Thusly:

BEST WARDROBE MALFUNCTION: CHRISTIN STEUER

Divers hit the water at more than 30mph, so it's inevitable there's occasionally some costume slippage. Cue German diver Christin and her unfortunate underwater flash!

"They're just behind me, right?"

PLUCKIEST LOSER: DJIBO ISSAKA

Niger's Issaka started rowing three months before the Games. And, boy, did it show – the "sculling sloth" swept in 80 seconds after the heat winner. Cheered like he'd won the blumming gold!

"I left the iron on! I just know it!"

BIGGEST SULK: SHIN LAM

South Korean fencer Shin Lam took competitiveness to new extremes with a weepy, hour-long, sit-in protest when the clock was reset after what she thought was a semi-final epee win.

A beefy macho figure... and the bloke on the left

BEST DAD: BERT LE CLOS

The nation fell hard for chubby pops Bert le Clos who almost burst with pride as his nipper Chad beat best-ever Olympian Michael Phelps in the breaststroke. Is that dust in our eye?

Colonel Sanders was straight on the phone

FREAKIEST BODY PART: ANDRE GREIPEL

German cyclists Robert Forstemann and Andre Greipel enacted a "quad off" on that Twitter. Freakishly-thighed Andre took the gold, by an unsettling country mile.

Russell Crowe was almost ready to play Homer Simpson

MOST UNATHLETIC ATHLETE: HOLLEY MANGOLD

Yes, we know you've got to be beefy to power lift, but 390lbs US weightlifter Holley looks like she could well spend a little less time in the official fast food provider to London 2012.

PERKY PALS!

"Good grief! They're like conkers!"

BEST CELEBRATION: BEACH VOLLEYBALL

While our footballers show joy through a predictable bundle, it's the bum pat, demonstrated in textbook manner by the Russian volleyballers, that's a shoo-in for best celebration.

"I say, has anyone seen my bike?"

PR FAIL: BORIS JOHNSON

With the world's eyes on London, our berkish mayor makes an utter tool of himself, getting stuck on a zipline, forlornly waving Union Flags for five minutes. This man could be prime minister!

10 *Skyfall* secrets!

State secrets about the new Bond flick!

WE ALL feared for Bond when studio MGM's financial difficulties put the next movie, *Skyfall*, on a two-year hiatus. But with Daniel Craig back as 007 and Oscar-winning Brit director Sam Mendes at the helm, this looks like the return to form we're all hoping for. We'll find out on 26 October, when it hits cinemas. But until then, here are ten secrets to keep your Bond lob strong.

WORDS: RORY BUCHERIDGE

4 IT'S ABOUT I.T.!

Bond's mission – codenamed *Skyfall* – is to retrieve a list of all of M16's agents out in the field, which has been stolen from a laptop. Baddie Raoul Silva (Javier Bardem) has it.

1 BOND DIES!

Hot agent Eve (Naomi Harris) shoots Bond while he's on the top of a moving train! M writes his obituary! We can all leave the cinema, Bond's dead! (Hint: he's probably not).

5 IT'S FUNNY!

Director Sam Mendes was keen to bring back Bond's wry humour. "I think there's some very funny moments," Daniel Craig said about the script, "But I have a very dark humour!"

7 THE NEW BOND GIRL SEEMS NICE!

Apart from her nude scene in the shower, Bond girl Berenice Marlohe promises: "One extremely theatrical and spectacular, extremely glamorous and femme fatale outfit."

8 THE BADDIE'S CAPTURED, HANNIBAL LECTER-STYLE!

Villain Silva has a lot of history with M, who manages to capture him and stick him in this brilliantly OTT, Hannibal Lecter-style cell. (Hint two: he probably escapes!)

**Peter Dalhammer
from Walther says:**

"There is no gun on the market with this capability. As far as we know, the end-user doesn't like this idea. For example, if you have a power supply in the gun and it breaks down, would it still be operable?"

2 THE GADGETS RETURN!

There are lots of cool, new gadgets, like a Walther PPK coded to Bond's unique palm print.

3 M DIES!

Maybe! There's been internet chatter that M's past finally catches up with her, and this marks Judi Dench's exit. Ralph Fiennes' government agent Mallory is set to replace her.

6 IT'S A WORLD TOUR!

As well as London, scenes were filmed in Scotland, Adana and Istanbul in Turkey, Shanghai, Japan and the South China Sea. Fact: the UK government supplied a real Bond passport.

9 THE STUNTS ARE INCREDIBLE!

Other than a scene where a tube is derailed at a station, there's a sequence where a JCB takes a bite out of a moving train carriage while crushing a line of VW Beetles. That's all!

10 BOND'S ASTON DIES!

Towards the end of the movie, Bond takes the wraps off his Aston Martin DB5 sports car and leaves with M. It doesn't go well for the supercar: it expires in a huge fireball!

EXCLUSIVE!

Amazing Brit eco supercar!

Old Brit car company Trident re-emerges with a 200mph diesel GT that'll do 70mpg!

- This, chaps, is the two-seater Trident Icen GT. Think of it as a cocktail of TVR, Corvette and Jaguar. It was dreamt up by Trident boss Phil Bevan while commuting from Bristol to Norfolk.

- Why? Well, he enjoyed doing the trip in a Bentley Turbo R, and wanted to update to a Continental GT, but Phil wasn't happy with

the way that the Conti GT guzzled fuel and wanted to get there in one tank. And, lo, the Icen project was born.

- Under the shark-gilled bonnet lies an Isuzu 6.6-litre V8 turbo that produces 430bhp and a staggering 950lb-ft of torque while sipping bio diesel. We say sip because the official Icen mpg figure is an astonishing 68.9. That's better than a

Smart car! A single 120-litre tank of fuel gives it a range of 2,000 miles, says Trident. And this is a car that can reach 62mph in 3.7 secs and exceed 200mph.

- The gorgeous swooping composite bodyshell features four removable roof sections that can all be stowed in a boot big enough for them, plus suitcases and even a set of golf clubs.

- The stainless-steel chassis is tested for safety, guaranteed for 100 years and 23kg lighter than the Aston Martin DB9's aluminium chassis.

- At £75,000, it's cheaper and faster than the entry-level Porsche 911. This is a luxury GT that even makes sense during a recession. As we write this, nine orders for the Norfolk-built car have already been taken. We can see why.

A quick word with Professor Green!

The Prof on threesomes, tattoos, roast dinners and Mrs Professor Green!

→ Hello, Professor! You're the new face of the Relentless Energy Drink. Is it nice? Do you find you drink nothing but it, bathe in it, wash your clothes in it etc? Yeah, it's good. I don't bathe in it – it would be expensive, even though I get it for free. It would cost me something. Probably my life.

Did you know you were the first person to use the c-word in *Nuts* without being censored? You held up a bit of paper with, "I don't look like Michael-fking-Cera, my nose doesn't rule my beautiful face, thanking you please, c**ts."**

Well, good, because I like to cause a stir. *Nuts* is supposed to be a men's mag. I'm surprised you can't say c**t. I'm actually disappointed.

The Relentless Energy Drink logo looks like one of your tattoos. Would you have it tattooed on your bum if they paid you? You could enter *Nuts*' "Naff Tats" section! I try to build up a bit of a relationship with people before I get a tattoo. They

all mean something. I've got my great grandmother's name, Edie. If I had a daughter, I'd call her Edie.

Edie Green! That's a nice name! Manderson, not Green! [Professor Green's real name is Stephen Manderson]. Fans copy my tattoos. Half of me thinks, "You're a wicked fan!" The other half thinks, "You've just copied my tattoos. Get your own f**king ideas, I want to rip your skin off!"

Steady on! You're endorsing Puma during the Olympics too. Are you enjoying them? I don't give a flying f**k about the Olympics.

Fair enough. Were you good at athletics at school? No. The only race I won at school was a maths race where you ran to the end, did a sum and ran back. I was really good at maths, just not very good at running. That's why I don't run from my problems.

Your new album is called *At Your Inconvenience*. Are manners important in rap? Manners are massively important, not necessarily in

rap, just in real life. No one wants to be smacked. It's much easier to just be nice, have manners and not get slapped.

Wise words! We hear you've written a new song called *Fast Life with Example*. Is it destined for number one? I hope so. Possibly not. But I'd like it to.

How do you "feature" other rappers? Did Example charge by the word?

Not really. I wrote it and thought, "He'd sound better singing that than I would." I asked him to come to the studio and he said yes. We worked on it, then bought some really expensive whiskey and champagne and got really drunk. That's quite typical of what happens in the studio.

Sounds great! We hear you're a bit of a chef on the side. What's your signature dish? I make a really good side of lamb. Seal the lamb, stick it in a roasting dish with half a pint of dry cider, some cider vinegar, some shallots and a little bit of thyme. Boil the potatoes then scratch them in a colander so you get a nice crispy outside and a nice fluffy middle. And never open the oven if you're making Yorkshire puddings. It's all about timing with a roast.

Delicious! Now you're going out with Millie from *Made In Chelsea*, are you moving to Chelsea? Apparently. The most ridiculous thing I've read about myself is that I bought a house in Chelsea to save her from my abusive fans. I've never read a bigger piece of bullsh*t.

When you play a gig in Liverpool or Newcastle or Essex, do you have a lady from *Desperate Scousewives* or *Geordie Shore* or *TOWIE* lined up for a booty call? I try not to. Just in case they all meet up and find out.

You recently joked that you'd split up with Millie because she'd had a lesbian affair behind your back. Er... why split up when you can join in? People kept asking her about me and when she said she's not discussing it, the papers said that meant we'd split up. So I joked that the reason was that she'd been seeing one of my ex-girlfriends behind my back!

If you were going to have a threesome with a reality TV lady, who would you choose? Charlotte from *Geordie Shore*. I just thought of the reality of that.

What would happen in *The Only Way Is Green*? I'd wake up, walk the dog, come home, have some oats with almond milk and a bit of cinnamon because I don't do dairy, have a lemon juice in tepid water to start the metabolism, off to the gym, back, take the dog down again for a quick p*ss, then...

Can we stop you, Pro? This all sounds rather boring. Not sure it's going to take off. Probably not. Oh well!

Professor test

Nuts finds out how clever
the "Professor" really is...

1 What is the speed

"Probably something well
quick, like millions."

Correct. 299,792,458 m/s

2 Spell 'antidisesta-

Correct! (Kinda)

3 How many bones
are there in the
human body?

"I know that me and
a giraffe have the
same number of bones
in our neck. Seven."

Correct-ish!

4 Which came first, the
chicken or the egg?

"The egg. The chicken
was a hybrid."

Correct. Maybe.

5 If a tree falls over in
the forest and there's
no one to hear it, does it

"Of course it does."

Correct. Probably.

My stupid mistake!

I stupidly slept with my girlfriend's sister but I haven't told her because I think it'll do more harm than good. Is this the right thing to do?

RD Cheshire

Does your girlfriend's sister have feelings for you? Will she tell your girlfriend? Analyse the situation. You should keep it to yourself if you can. Having respect for someone does mean sometimes you have to hide things that would hurt them. If you don't see a long-term commitment don't say anything either as they're sisters for life – you'll just be the guy they'll always dislike.

All I want is a quickie!

My missus is into marathon sex sessions but how do I convince her it's good to have a quickie now and again?

SCOTTY P London

Can't keep up with your woman, eh? Well, it depends. Does she want to have sex with you at inappropriate moments – before you're leaving to go to work in the morning, for instance? If she does you must become more adventurous. Teach her that waiting is sexy. Perhaps Skype her from work during lunch. However, if this is more a case of you not wanting to put in as much effort I suggest you just give her my number as I have all the time in the world for "marathon sex" sessions. Some men just don't know what they have till it's gone.

girls the more desperate I seem, but I'm scared by not trying at all. Do you have any advice?

MICHAEL Warrington

I agree, never come across too "try hard". Women love to be chased. Invite all your mates around or go camping. Take

your mind off women altogether. The more confident and happy you are, the more you'll attract others without even noticing it. Have a good look in the mirror as well. Do you need to go to the gym? When was the last time you

ironed your shirt? Put some effort in. The women will come to you when you're ready.

Team GB's diving star talks about competing on home turf, er, water...

Hi Tom. What's an average day for you like?
I usually train for six hours a day. I'll have a morning session, head home for lunch and then I'll be back at the pool. We do dry-land training as well as work in the pool so it's always varied. Then in the evenings, I'll chill out with my friends.

How's it feel to be so young with so much expectation heaped on you?

I'm my toughest critic and I don't tend to read what's in the papers – I just concentrate on training hard. At the end of the day, I have to go out there and dive to the best of my ability. I can't control anything else, but I can make sure that I'm in the best shape possible.

London must feel completely different to Beijing – now you're expected to challenge for gold. Is it tough to deal with that pressure?

I was 14 in Beijing so I've grown up a lot. I've got four more years of diving under my belt. I'm older now so my strength has increased – I can perform harder dives and have the opportunity to get higher scores. The support of the crowd in London is incredible!

The crowd were really behind you and Pete Waterfield last week in the synchronised 10m dive. Do you think that puts you under more pressure for the individual event? We've experienced what the crowd's like now so it's not going to be overwhelming.

You started as a kid, but how long do you want to keep on diving?

I love diving, it's my passion. To be an athlete in any sport, I think you have to really enjoy it. Diving can take its toll on your body, so your career length quite often depends on how long you can stay injury free. Realistically early 30s is the oldest you'd probably want to be diving competitively.

Are there any footballers who could move into diving?

Ha! I always know when there's been a lot of diving in a football game because I get lots of mentions on Twitter. I think it'd be funny to see some footballers dive off the boards.

If you weren't a diver, what would you be doing right now?

I'd have just finished my A-levels and might

have been looking to go to university. I've finished school for the year, but still have a couple of maths modules to finish off so I'm going back in September. I'm a bit of a perfectionist so if I'm going to do something, I try to do it properly. I used to be a bit naughty when I was younger, too, but most people go through that phase at school.

Have you seen that clip of Greg Louganis where he smashes his head on the board?

Yes and I've done it myself, twice! British diver Monique Gladding hit her head in Russia last year and knocked herself out. Seeing that was terrifying.

What does it feel like when you're standing there waiting to dive? Do you ever feel sick?

When I'm stood at the edge of the board I'm thinking about nothing else but the dive I'm about to complete. I get scared every time I go up on the 10m board – I have to check that there's water in the pool before I jump! Throwing yourself off a 10m board is a pretty unnatural thing to do.

What kind of reception do you get when people recognise you?

People are really friendly. They usually just come up to me and say good luck or shout, "Hi". It's quite strange, though, when girls just come up to you and scream in your face. I never really know what to do.

Michael Phelps has a crazy diet – what's yours like?

I just make sure I eat a balanced diet. For breakfast I might have a bowl of cereal or eggs on toast, for lunch some chicken salad or maybe in a wrap, and for dinner a bit of anything really as long as it is balanced.

Who are your all-time sporting heroes?

In diving, it's Alexandre Despatie, three-time World Champion and Olympic medallist. I also think Steve Redgrave's achievements are incredible, having won five gold medals in five different Games.

What do you do when you're not diving?

I'm usually with my friends and family. I enjoy cooking. When it comes to music, a bit of everything is on my iPod, but I tend to listen to more upbeat stuff when I'm competing.

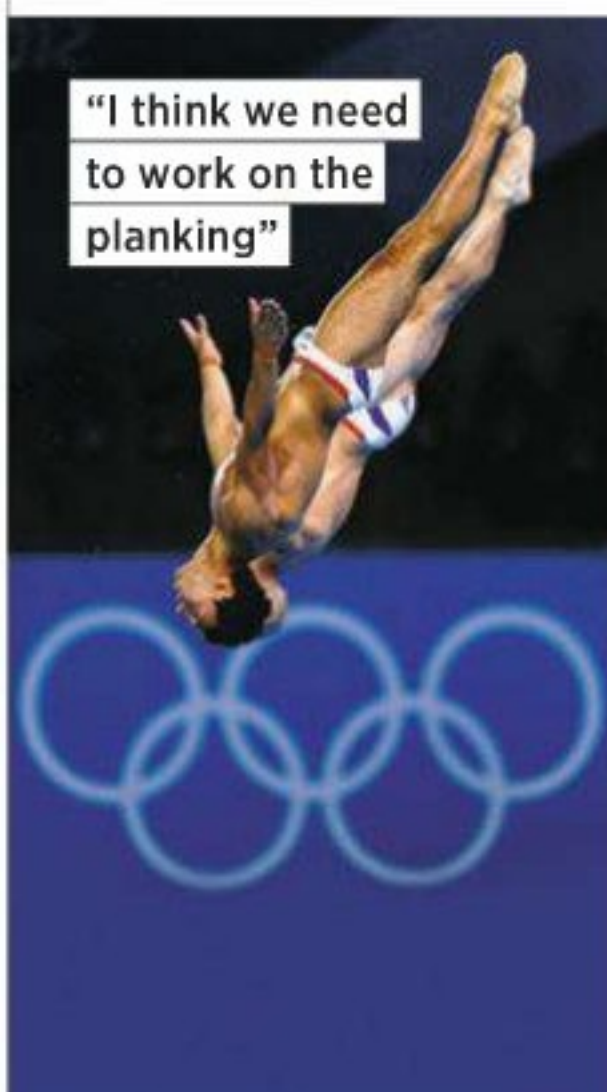

Are you a prankster?

What's the funniest prank you can share?

I don't take myself too seriously. I once covered a friend's car with cling film, which was quite funny.

'I SAW PRISONERS HOWL, SCREAM AND DIE!'

Eight years ago, smuggler Nick Brewer was banged up in a tough Argentinian prison. Now reformed and back home, he tells *Nuts* his story...

I Nick. Tell us a bit about your life before smuggling.

I was a natural at skiing. By the

age of 15 I was in the England junior development ski team.

I got sponsorships and lived in the French Alps. But at 18 I broke my back and lost my place in the team. I headed to the south of France, lived like a bum for six months and got into drugs.

How did you get involved in smuggling?

It started when I was 21. I was serving a prison sentence in London for smuggling 100kg of cannabis. While there, I was educated by crooks on how to smuggle properly. Ten days after my release I was back smuggling cannabis, and at the end of the '90s, I was smuggling cocaine.

How were you doing it?

I based myself in Argentina where I got into the logistics of container shipping. Cocaine was shipped by container to Europe where it was sold wholesale in London and Amsterdam.

What sort of money was involved?

I was dealing in quantities of £10million a time. I was working independently but I had a big gang behind me.

What was the lifestyle like?

I owned a nightclub, restaurants, cars, boats, houses, flats, cash and jewellery. I was a crazy sportsman, a parachutist and into adrenaline sports.

But then it all came crashing down...

Yes. In 2002, I fell out with a colleague. They did the dirty on me and informed the drug squad in the UK. They then sent MI6 to spy on me. Ten of us were arrested in Buenos Aires in 2004. I spent three-and-a-half years on remand in Devoto prison.

And what was the outcome?

Me and my colleague were sentenced to ten years each, which is very low considering we had 200kg of cocaine.

Can you describe Devoto prison?

It was like hell. The prisoners were suffering from malnutrition. They had machetes, knives. You'd be lucky if you got a bed and the food was appalling.

What was the day-to-day routine like?

There's no routine. There are no cells – it's open wings. Everything's done in gangs. If you get food, you share it. Every gang fought against each other.

Did you get involved in the gang fights?

You don't get a choice! You might be eating your food and someone will just come and take the food off your plate. You might be on the telephone and they come and start a fight with you.

Did you see anyone die in prison?

God yeah. In a bad fight six, seven, eight people would go at the same time.

The first time I saw someone killed after four months it was not a nice experience. Just the howls and screams were awful.

What were the fights like?

Gladiatorial. Beds were taken to pieces. Prisoners would get spikes and strap them to broom handles to use as spears.

And the prison guards?

After the fighting, the riot squad would come in and beat the sh*t out of everyone with poles. If that didn't stop you, they'd come in with pump-action shotguns. The classic Devoto scar involved piercing you in the stomach with a spike.

How did you manage to get out?

In 2010, the Home Office and Argentine courts arranged to have me expelled. I was in Devoto for just under six years. I went into prison a multimillionaire and arrived in London with little over £300.

Did you consider getting back into smuggling after you were released?

No. All the fame and fortune I desired as a smuggler went. It doesn't interest me. I'm enjoying a very humble life now.

How do you feel about the drugs trade?

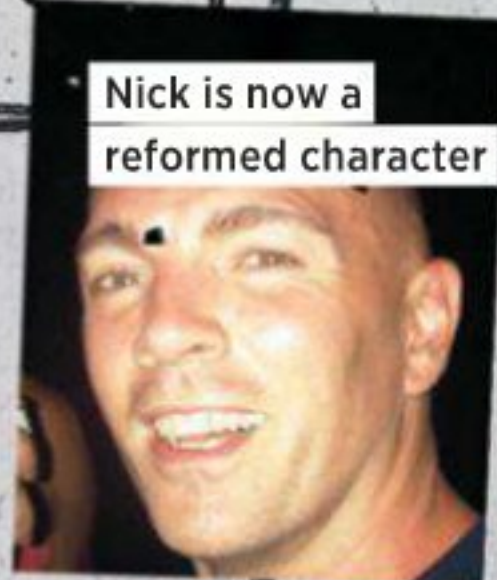

Drug abuse was rife. Witnessing the physical and mental effects on people changes you. People buying a bit of whatever for a night out have no idea of the misery they're funding.

And what do you do now?

In prison I studied and practised yoga for five years, when I was more or less in isolation. Now I run a private yoga studio. Life is very different!

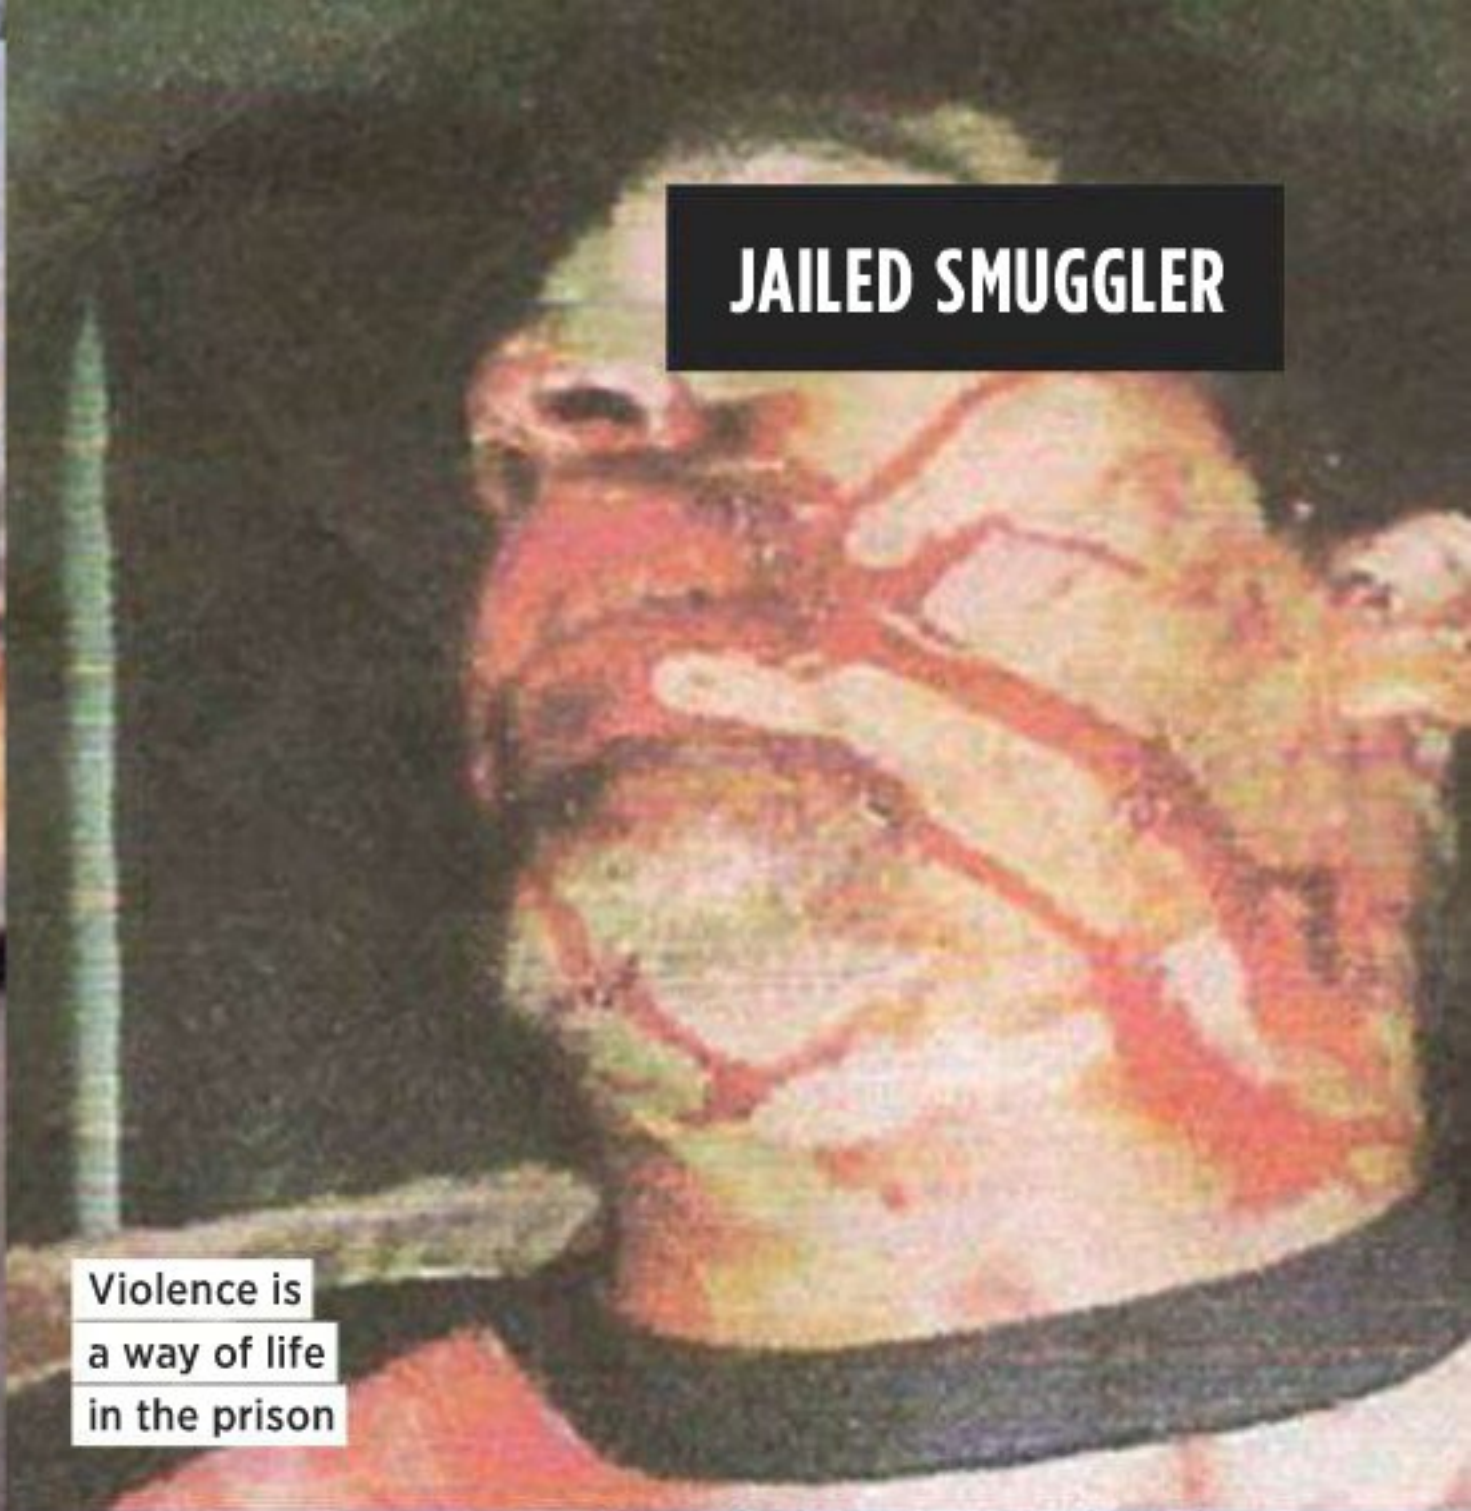

● *Contraband* is out on Blu-ray and DVD now from Universal Pictures (UK). Nick's book, *The Kid: A True Story of Cocaine, Corruption, Deceit And Betrayal*, is available to read at authonomy.com

“When I was in *BB*, I didn’t have boobs, but now I’ve got these!”

People just love a comeback, whether it's the plucky underdog in a cup match or Rocky hauling himself off the canvas to win yet another ridiculously brutal fight. *Nuts* has seen few returns as awesome, though, as the sight of the lovely Chanelle Hayes and her bloomin' marvellous chest. Just take a look at these pics of her and we reckon you might just agree...

Hi Chanelle! Welcome back to *Nuts*. How did the shoot go?

Hello! It's so good to be back. Last time I was in the mag it was my first naked shoot, and my Twitter went a bit mental!

How's your summer been?

It's been raining but I love British summers. We all wear very few clothes and head for the beer gardens.

Can you give us some seasonal fashion advice?

I like the chino look, but not so much that you end up looking like you're in One Direction!

Who's your fave topless star?

I love Lucy Pinder – our very own Queen of Boobs! I've done shoots with her before, but never topless. I'd love that.

Nice! So *Celebrity Big Brother* is on again soon. Will you watch?

Of course! I want to go into the *Celebrity BB* house. When I was first in, I didn't have boobs, but now I've got these!

Fair enough! What's the one thing you can't live without?

EastEnders. Ha-ha! I love it, although I get really involved with the characters and find myself yelling at the telly a lot. I'd love a part on *EastEnders*. They should do a *Nuts* special!

Thanks, Chanelle! Finally, what else is in the pipeline for you?

Well, I'm shooting a calendar and there's a new TV project but I can't say anything about it yet. It's going to be very entertaining though! **X**

NUTS PROMOTION

THE EXPENDABLES

THE BEST ACTION FILM EVER - 2010

1 **Sylvester Stallone** rallies a mega-muscled cast as **Jason Statham**, **Jet Li**, **Terry Crews**, **Randy Couture**, **Bruce Willis** and **Dolph Lundgren** return, joined by **Arnold Schwarzenegger** (getting his fight on this time!), **Jean-Claude Van Damme** and **Chuck Norris**. That's a lot of testosterone!

5 Smoking Chinese actress **Yu Nan** (star of the *Matrix*-making Wachowski brothers' *Speed Racer*) plays the character Maggie and becomes the first female Expendable.

9 Half a million dollars was spent building a real 114-metre railway bridge over the river Osam in Bulgaria and remains as part of their railway network.

6 **Jet Li** is a practitioner of Tibetan Buddhism but on screen the mental calm gives way to carnage as the star of flicks like *Hero* unleashes his aerial wushu skills!

10 Legendary martial artist and six-time undefeated World Karate Champion **Chuck Norris** answered **Stallone's** call coming out of retirement for the film. His character **Booker** is a nod to Chuck's 1978 action flick *Good Guys Wear Black* about a war vet on a mission to rescue his old comrades.

7 **Liam Hemsworth** (brother of *Thor* actor Chris Hemsworth) joins the cast as dead-eyed sniper Billy the Kid. Taylor Lautner from *Twilight* was considered for the role but we reckon **Stallone** made the right choice!

8 **Sly** and **Arnie** received treatment in the same hospital for their shoulder surgeries towards the end of shooting and Stallone still carries a metal plate after breaking his neck fighting Steve Austin on the first film! They've put their bodies on the line for this!

2 The *Rocky* and *Rambo* star was inspired to create *The Expendables* by classic films like *The Dirty Dozen* and *The Wild Bunch*... "Back then our heroes were flesh and blood," says **Stallone**. "The Expendables put their lives on the line for a cause. They're not cartoon superheroes with superpowers..."

3 The film's title comes from **Sly's** line in *Rambo 2*, "You're expendable!" So what's the story this time round? Barney Ross and his team of mercenaries for hire lose one of their crew when a routine assignment goes Pete Tong. The film follows their quest for revenge. Get some!

4 The "Muscles from Brussels" **Jean-Claude Van Damme** plays the aptly named Vilain. Stallone explains: "He's hell-bent on destroying us. Eventually when Vilain and Barney meet one-on-one, it'll end up being a hellacious battle until the very end... like a heavyweight championship fight that you never thought would happen!"

11 Shot in Bulgaria, Hong Kong and New Orleans with a budget of \$100m expect some awesome scenes, promises **Sly**: "Some of the caves in Bulgaria are so big you could fly a plane through them... and we do!"

12 British director Simon West knows his action onions bringing his behind-the-camera skills from action classics like *Con Air*, *Lara Croft: Tomb Raider*, **Jason Statham's** *The Mechanic* and *Black Hawk Down*.

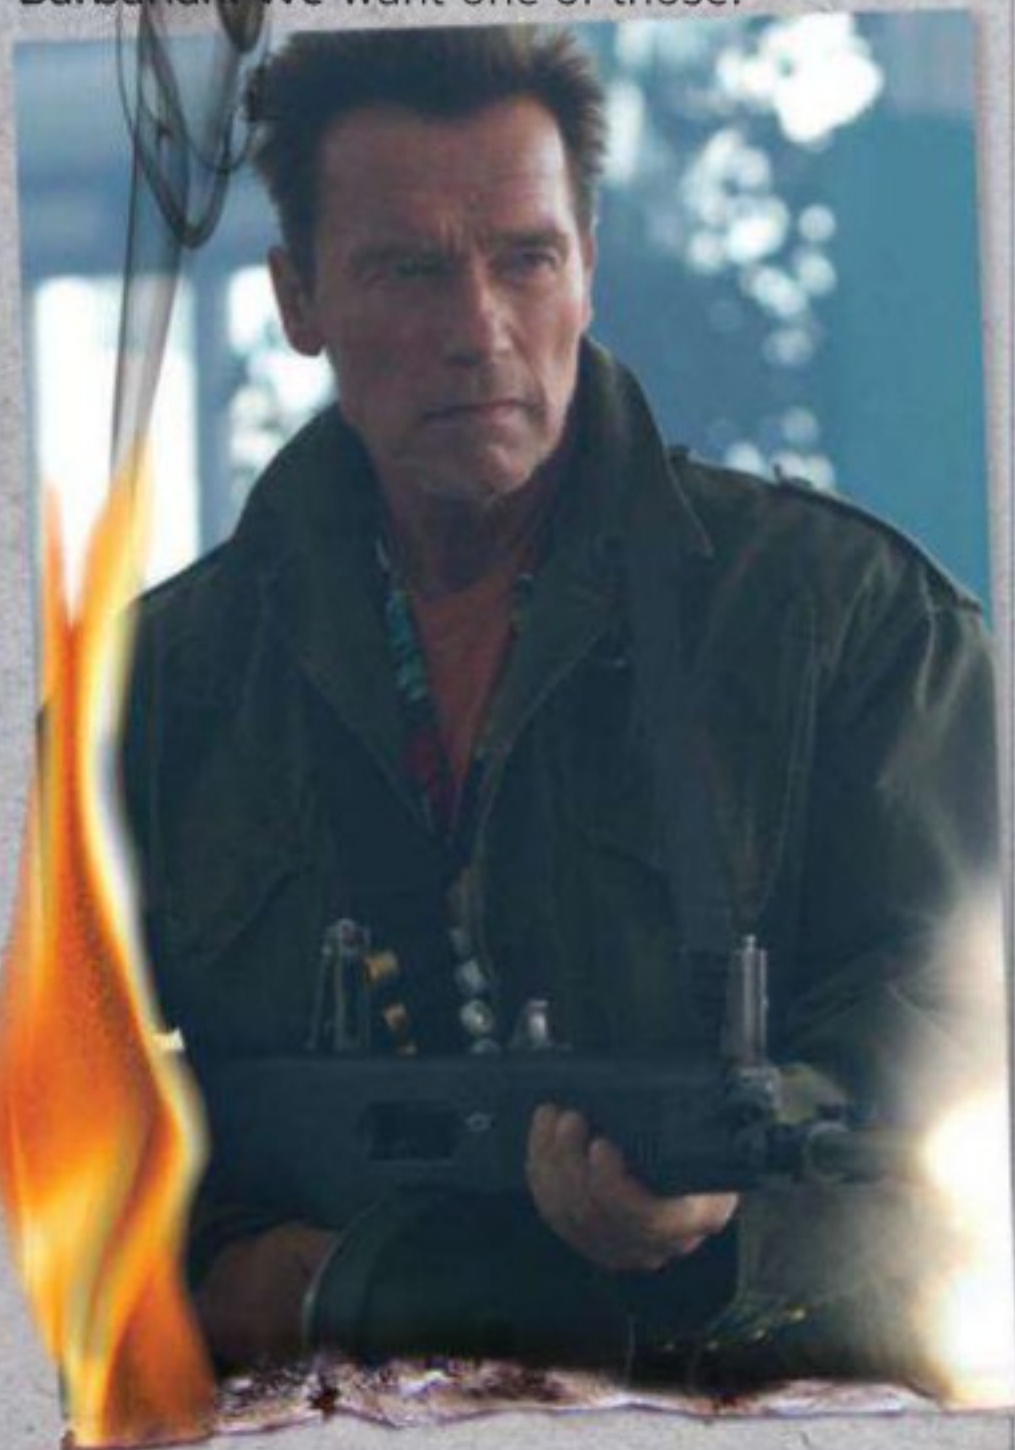

LES 2

REASONS WHY!

13 Their films have taken a combined total of £8bn at the box office, but it's the first time **Schwarzenegger** and **Stallone** have kicked ass together on screen. We can't wait!

14 While filming in Bulgaria, **Arnie**, in Governor mode, met with the Prime Minister awarding him the sword of Conan the Barbarian. We want one of those!

15 Former NFL football player **Terry Crews** is reunited with his character Hale Caesar's weapon of choice – the AA-12 auto assault 12-gauge shotgun. Designed in 1972, it's one of the most powerful weapons in the world capable of delivering 300 rounds per minute!

16 **Randy Couture** (who plays Toll Road) came out of retirement to regain his title as UFC Heavyweight World Champion and fought on until he was 47. More proof that the stars of this film are hard as nails!

17 The film is full of deadpan one-liners. "I'm back!" bellows **Arnie** before complaining, "My shoe is bigger than this car!" Boom!

18 **Sly** reckons it's the biggest action movie he's ever done. "I thought if we get together all of these characters, present and past, and try to bring back a little of that hard-core action, that old time rock'n'roll, it would give audiences something that they haven't seen for a while..." With no muscle suits, prosthetics or CGI body enhancements, these guys are the real deal!

19 The film features some serious military tech! **Stallone's** Barney Ross carries a pair of blingingly modified Kimber Gold Combat II pistols, while the big guns lock and load with a variety of firearms including the M4A1 assault rifle, a Heckler and Koch UMP sub-machine gun and a Barrett M107 sniper rifle. And **JCVD's** bad guy carries a Steyr AUG 3 with a laser-style sight.

20 **Schwarzenegger** joked at the recent Comic-Con that he has 289 on screen kills to **Sly's** 288. We reckon after this film the Italian Stallion will be in the lead!

The Curious Case Of Benjamin Button

CHANNEL 4/HD • 6.55pm

This film about a baby born as an old man who ages in reverse is a bit hard to get your head around, but it's a nice story, directed by David Fincher and starring Brad Pitt.

★★★

"Du-nu-nu-nu-nu-nu-nu, Batman!"

Olympics 2012

BBC ONE/HD • 7.15pm

A mammoth 32 gold medals will have been dished out today come the end of it, a clutch of those coming in the next couple of hours. It's the finals in the Men's Javelin, Men's 5,000m, Women's 800m, Women's 4x400m Relay, Men's 4x100m Relay, and the Men's 10m Platform in the diving. Safe to say it's all happening then.

UFC 150: Henderson vs Edgar II

ESPN/HD • 3am

This is going to be a right old ding-dong if the first fight at UFC 144 is anything to go by. Ben Henderson got the judges' decision that night but Frankie Edgar wants his title back...

★★★★★

MEN'S FOOTBALL

BBC ONE/HD • 2.30pm

Will Stuart Pearce's men each have a shiny gold medal at the end of today's match? Will they even be here? We hope so, although Brazil are most people's tip for glory.

Sunday 12 August

"We need to get our heads together about something"

Man City vs Chelsea

ITV1/HD • 1pm

Yay! It's time to literally get the ball rolling on the new season, as the last-gasp title winners face the FA Cup winners in the Community Shield at Villa Park. Expect the teams trying hard, but not too hard, to send out some early signals of intent.

Olympics 2012: Closing Ceremony

BBC ONE/HD • 9pm

The opening shindig was just brilliant, so how do you top Her Maj jumping out of a helicopter? Well, we'll find out here as Britain's biggest music stars bring the Games to a close!

★★★★★

The rain had played havoc with his garden

Family Guy

BBC THREE • 10pm

We hope, quite strongly, that *Family Guy* doesn't go down the route of *The Simpsons* and start crowbarring in a celebrity cameo even if said cameo isn't especially funny. Tonight, the guest voice is provided by Ricky Gervais, as Peter encounters a helpful dolphin while trying to salvage a sunken Mercedes-Benz.

BOXING

BBC ONE/HD • 1.20pm

After five boxing finals yesterday, there are another five today. We're pinning our hopes on Brits Andrew Selby and Anthony Joshua in the flyweight and super-heavyweight finals respectively.

Premiership's Most Amazing Moments

BBC THREE • 8.30pm

Hmm, what could whet our appetites for the new season? How about two hours of the most bonkers or brilliant (or both) Premier League incidents of all time? We're there!

★★★

Alan Partridge's Mid Morning Matters

SKY ATLANTIC/HD • 9pm

How will we live without our regular fix of *Mid Morning Matters* matter? We'll be wearing out Partridge's painfully funny audiobook after this run of half-hour specials ends tonight.

★★★★

The *Hi-de-Hi!* reboot looked promising

Beaver Falls

E4/HD • 10pm

We're loving the fact the boys are back for a second season of *Beaver Falls* – the tale of Brits abroad taking care of kids at a Yank summer camp. Expect plenty of the usual banter as the guys get themselves into bother trying to stop the brats they're taking care of from getting in the way of them having a good time.

★★★★

The Rob Brydon Show

BBC TWO/HD • 10pm

We're big fans of Welsh rib-tickler Brydon, although his chat show does tend to err on the gentler side of comedy. So, don't expect him to be giving this week's guests Michael Macintyre and Alex James a particularly hard time on the couch.

Bad Education

BBC THREE • 10pm

A brilliant brand new comedy written by and starring Jack Whitehall as Alfie Wickers, a maverick newly-qualified teacher at Abbey Groves school teaching a bunch of degenerate students the rest of the school faculty have written off. If you ever watched *Teachers*, this is really similar: deffo worth a watch.

★★★★

"Hmm, I think this place is developing a smog problem"

Person Of Interest

CHANNEL 5/HD • 10pm

From JJ Abrams of *Lost* and *Star Trek* fame comes this new spy series. An ex-CIA hitman (Jim Caviezel) teams up with Michael Emerson (*Lost* bad guy Ben), a billionaire computer genius who uses his inventions to prevent acts of terrorism before they happen. Expect plenty of action and gadgetry in this superb thriller!

England vs Italy

ITV1/HD • 7.30pm

We're off to Switzerland for a pointless friendly of the type that annoys Sir Alex Ferguson. To rub additional salt into the wounds of pointlessness, it's against the team that knocked us out of Euro 2012 on penalties. Well, at least it gives England a chance to leave studmarks on those nasty, better-than-us-at-penalties Italians!

★★★★

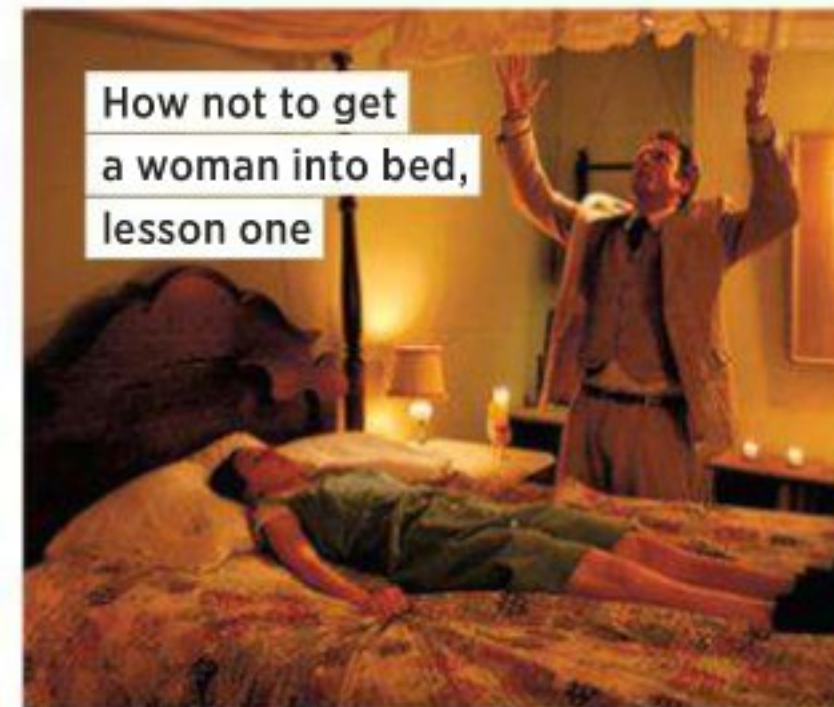

Celebrity Big Brother

CHANNEL 5 • 9pm

Ordinary *Big Brother* always has a few hot girls, but the celebrity version's best. So hooray, as the new series kicks off, reportedly with a load of babes including *Nuts* cover girls Rhian Sugden and Danica Thrall. Thank you Channel 5, thank you!

The Last Exorcism

FILM4/HD • 9pm

Yes, it's another mock-documentary, but it's executed brilliantly. Reverend Marcus regularly performs exorcisms, and the disillusioned minister is about to perform his last one with a film crew in tow. It looks like this one might actually be the real deal, though...

England vs South Africa

SKY SPORTS 1/HD • 10.30am

We're not going to lie to you – the first Test didn't exactly go to plan, what with England losing by an innings and South Africa scoring over 600 runs for the loss of just two wickets. This is the final Test – let's just hope it's a happier one!

★★★★★

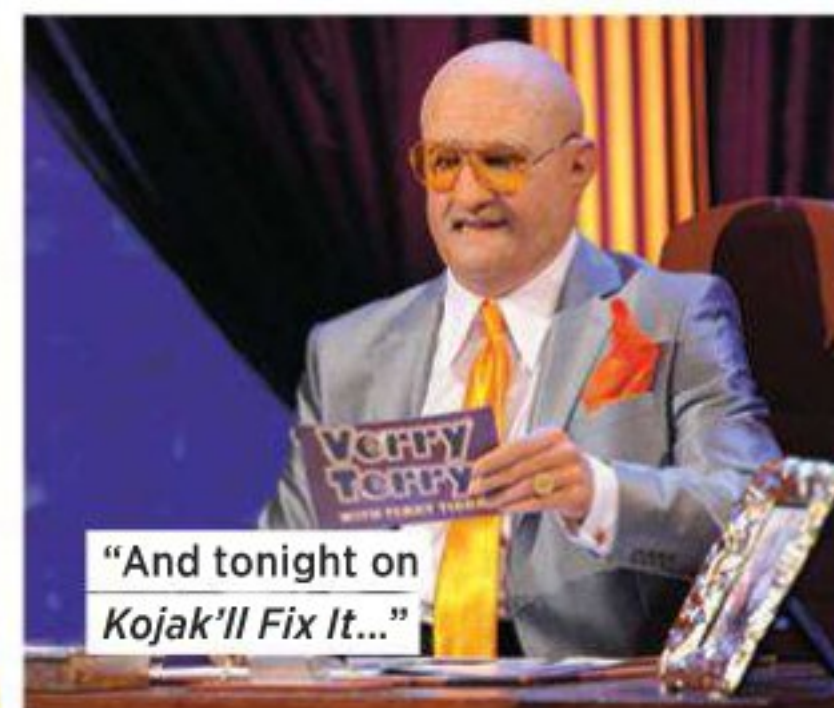

Wilfred

BBC THREE • 10pm

Odd US sitcom starring Elijah Wood as Ryan, a depressed young bloke who forms a unique friendship with his neighbour's dog, Wilfred (Jason Gann in a dog outfit). It sounds a bit daft, but it's developed by *Family Guy* producer David Zuckerman and has the same kind of bad-taste laughs. The second series kicks off tonight.

★★★

Verry Terry

CHANNEL 4/HD • 10.55pm

Kayvan Novak aka Facejacker has loads of good characters, but our favourite by far is car salesman and man of the people, Terry Tibbs. Lucky for us then that he's done this one-off special. That's right, *Verry Terry* is Terry Tibbs' prime-time chat show. His guests include the unsuspecting Mickey Rourke and er, Anthea Turner.

Here are our top tips to help you on your way...

1. Log on to www.nutsgames.co.uk.
2. Deposit £10 (and we'll give you £20 free*).
3. Pick **Deal or No Deal** slots!

- Betting on all 20 paylines gives you 20 chances to win on each spin, as well as the chance to play the Deal or No Deal bonus game.

How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the Progressive jackpot.
- Choose your coin size (up to 20p on each of the 20 paylines) before you play.
- Click the number beside the reels, or the "Bet One" or "Bet Max" button to select the number of lines you want to bet on.

The jackpot

- The Progressive can only be won on the Deal or No Deal bonus, but you can win cash on other bonus games Banker's Offer and Mystery Box Bonus, too.
- The Deal or No Deal bonus game only begins if you bet on all 20 paylines and get three Deal or No Deal bonus symbols on any payline. This plays like the TV show, but with the Progressive at stake.

'She kissed my neck'

A FRIEND of my boyfriend's was dating a gorgeous older girl. All I wanted to do was rip her clothes off and I knew she felt the same way. At a friend's BBQ, she asked me to come to the toilet with her. She closed the door behind us and pushed me up against the wall and started kissing my lips, neck and breasts, working her way down. She ripped off my pants and started working her magic until my juices were running down her chin. Once we were finished, we casually headed back to the party. My boyfriend asked me where I'd been and I replied, "Oh, I just had to visit the little girl's room."

Jannine via email

'I bought my first sex toy'

I WAS recently casually surfing the internet looking at sex toys. As I did so, I sat and wondered whether if I bought one I'd

just use it myself or with my boyfriend. I ended up going for it anyway and bought a Rampant Rabbit. It arrived in the post a few days later and I couldn't resist showing it to my fella. He grinned broadly and suggested that we try it that night. It was easily

the best thing we've ever done – I had him inside me and the vibrating bunny teasing me!

Charley London

'He filmed our sex session'

MY BOYFRIEND invited me over a few weeks ago to try out his new bed. I rushed out and bought a bottle of chilled champagne and some sexy new underwear to treat him. At his, we soon had the champagne open and were kissing on his bed. He suddenly jumped up and said he had an idea. Appearing with a video camera, he cheekily told me he'd been wanting to film us for ages and found it a huge turn-on. I was up for it, too, and felt really horny as he started filming me. I performed a little striptease for him, revealing my new lacy black lingerie, complete with suspenders and tiny thong. As he reached out to touch me, I slapped his hand away and told him off. He then asked me to pleasure myself and I did, loving every second. Finally, unable to control himself any longer, he propped the video up at the head of the bed and took me hard from behind. I was really eager to see what our moves looked like on film, so afterwards we watched it back and savoured every second. It also made us horny again for more!

Clarissa Suffolk

'I pulled his boxers off'

MY BOYFRIEND had just come back from Ibiza. I picked him up at the airport and I was gagging for him and I could see he wanted me. I gently rubbed his rock-hard erection. At the first service station, I grabbed his hand and led him to the toilets. In the cubicle, I got on my knees, ripping off his boxers with my teeth. I started off teasing him and he begged me to go faster and faster. Soon he was moaning, then he turned me round, bent me over and entered me. People came in and out of the toilets but it only made it more exciting. After a few minutes of the most amazing sex ever, we both had massive orgasms and were very unsubtle about them, to say the least. I'll be making sure he goes away again soon!

10 RUDE QUESTIONS!

And a real girl to answer them!

Mikaela

23 London

1 Where's the craziest place you've had sex?

"The smoking area of a pub. It was broad daylight, we were having a drink and just got caught up in the moment. We had to stop every now and then as people kept coming out of the pub. It just made it even more exciting."

2 What's your trademark move in the bedroom?

"Definitely my oral skills."

3 What really turns you on?

"I like sex outdoors and in public places. The fact that I could get caught is so appetising. I salivate just at the thought of it!"

4 Do you like to be dominated or do you prefer to be in control?

"I love to be in control but sometimes there's nothing sexier than being thrown onto a bed or pinned up against the wall."

5 What's your favourite place to be kissed?

"I love being kissed from my neck and collarbone down to my boobs, and then up my legs. But I'm not too fussy!"

6 What one rude thing do you think every girl should try at least once?

"A little bit of back-door fun! There's something about it that's such a huge turn-on. Naughty, naughty. Ha-ha!"

7 Ever got it on with another girl?

"Hell, yeah! That's my little secret though, so I'll leave it to your imagination."

8 What's your favourite role-playing costume?

"I love wearing my fishnet black dress with knee-high socks. Or if I'm feeling glam, a floor-length lace dress with a slit up the side. I love to be a tease and seeing the look on the bloke's face."

9 Have you ever made a sex tape? Would you?

"I've never made one. That's not saying I never would though. You've got to try everything just once!"

10 If you could ask a man to perform any sex act, what would you want him to do?

"Tie me up, blindfold me and tease the hell out of me! I tease blokes pretty much every time I'm with them so it would be good to get a taste of my own medicine!"

"I like sex outdoors and in public places"

COMMUNITY SHIELD SPECIAL!

Lampard: 'I'll go on for years!'

Lamps on finishing his career at Chelsea!

Hi Lamps! Halfway through last season did you think you'd

see Chelsea in the Community Shield?

It didn't look good, did it? Thankfully, we finished strongly and ended up winning two amazing trophies. Now we can have a real go on all fronts.

Was last season the weirdest of your career?

I suppose you could say so. People were writing us off. Then we went and won the FA Cup and the Champions League and suddenly everyone was hailing us as miracle workers!

Did you think it was all over for you at Stamford Bridge?

Obviously when you reach a certain age questions are

going to be asked. But I've always responded to adversity and I love this club.

Chelsea have spent big in the midfield department. What does that mean for you?

What it has always meant – Chelsea always buy big players and it's up to you to respond. I remember when I was in my mid-20s and we brought in virtually half a team and I thought to myself, "Uh-oh, am I gonna get into this team?" But sure enough, I just got on with it and played more games than anyone else that season.

With all the new signings, Chelsea look like they mean business this season...

It's great to see. We've been labelled an old team for a few seasons so it was inevitable we'd bring in new blood. We've now got brilliant attacking options with Oscar, Marin and Hazard joining Mata in the final third, so we should be pretty offensive-minded.

So no fear factor the old guard will be jettisoned?

There should still be room for the older pros like myself, JT, Petr Cech and Ashley Cole to help the younger lads settle in and improve the team. Experience counts for a lot.

Do you think Chelsea will offer you a new contract?

I've got a few good years left in me. We haven't spoken about one yet, but I hope I can finish my career at Chelsea. The club means that much to me.

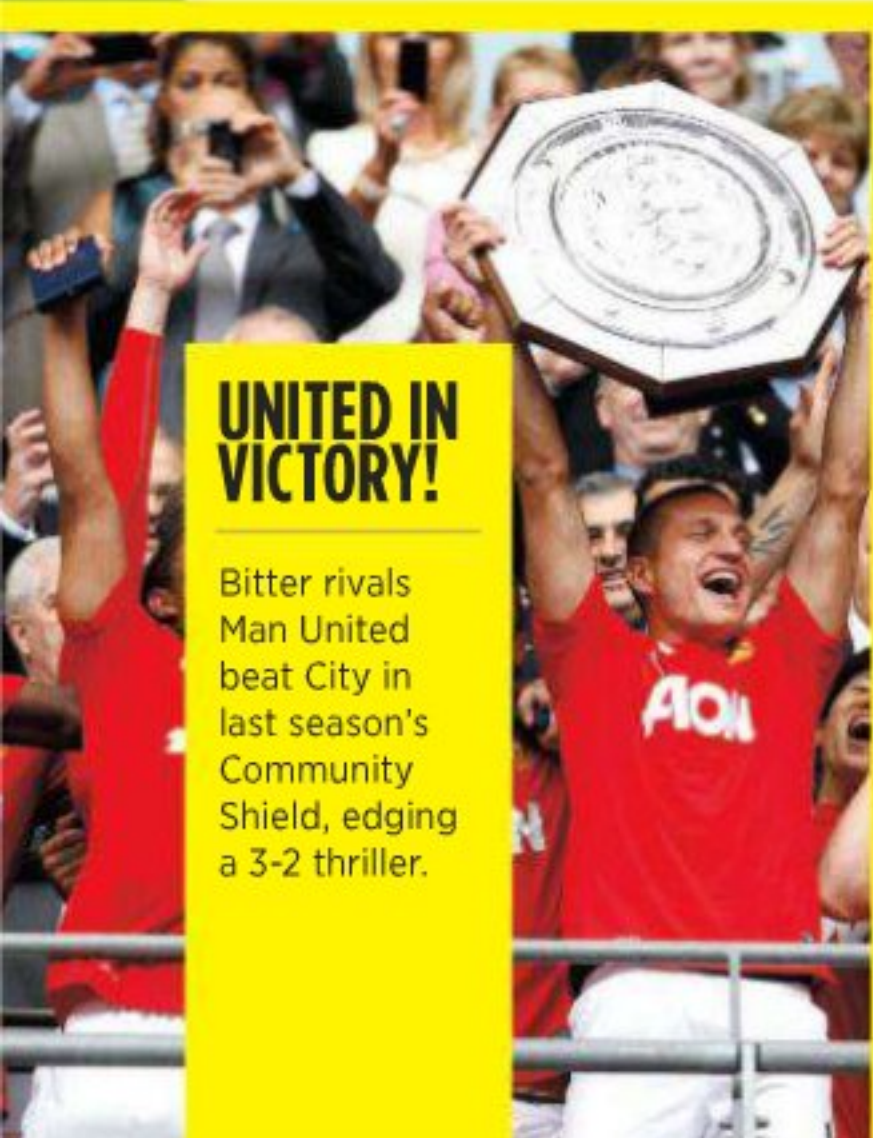

In what areas can Chelsea improve from last season?

We have to sort our league form out. Chelsea should be challenging for the league every single season.

And you see yourself at the heart of this "new Chelsea"?

I hope so. I wouldn't be saying these things if I didn't think I still had the quality to contribute. I'm too proud a person to just hang around the place or embarrass myself. I've still got some time on my side.

"Ooh! There's AVB!
I'll give him a big
hug at half-time"

Kompany: 'I want the title every year!'

The Belgian defender on dealing with expectations and his desire to see City dominate for years!

➔ **Hi Vincent! How's it feel to be captain of the new dominant force in the Premier League?**

It's kind of you to say that, but one season doesn't make a team. We did fantastically well and this sets the tone for the next few seasons. The expectation is that we must do this every season and I welcome that – the players expect too. We won't be sitting back and patting ourselves on the shoulders. The hard work starts now to try and build a club with sustained excellence year after year after year.

Is that why you recently signed a six-year contract?
I had other options but there was only really one decision. Remember, I joined City

before the takeover so I've enjoyed the rollercoaster ride with everyone else. My desires match those of the club and also those of the fans so why wouldn't I sign a long contract? I want to win a title every season I'm here.

With City's spending power, that's a possibility!

Money doesn't buy success. You have to build foundations on which success can be built. That means putting the right people in place behind the scenes but also recruiting the right kind of personalities.

Did all the nonsense with Carlos Tevez and then Mario Balotelli ever threaten to derail your season?

We had problems, but it shows the mentality of the

group that we overcame them. When Manchester United overtook us we were written off by everyone, but we dug deep and reminded everyone of our qualities.

You received a lot of plaudits for your football but also the way you conducted yourself off the pitch...

We have many leaders among us but hopefully I show that I'm driven – even obsessed – by the Manchester City project. I have pride in being captain of such a great club.

What can we expect from City this season?

I think we'll be stronger. I'm sure we'll bring in new players but the ones that remain will be even better equipped. We're still

a relatively new team that gelled together well in a short period of time. One year on, this process will be even stronger and I expect us to improve our points total.

You sound confident, Vincent!

It'll be difficult, of course. The other big teams have responded in the transfer market, so it won't just be United. Chelsea, Arsenal, Tottenham and Liverpool will all be threats. That said, I have faith in this team and management. We'll be on the front foot. I'll be doing everything in my power to deliver success this season.

● The Community Shield between Chelsea and Man City is on Sunday at 1.30pm on ITV1/HD.

Pre-season weirdness!

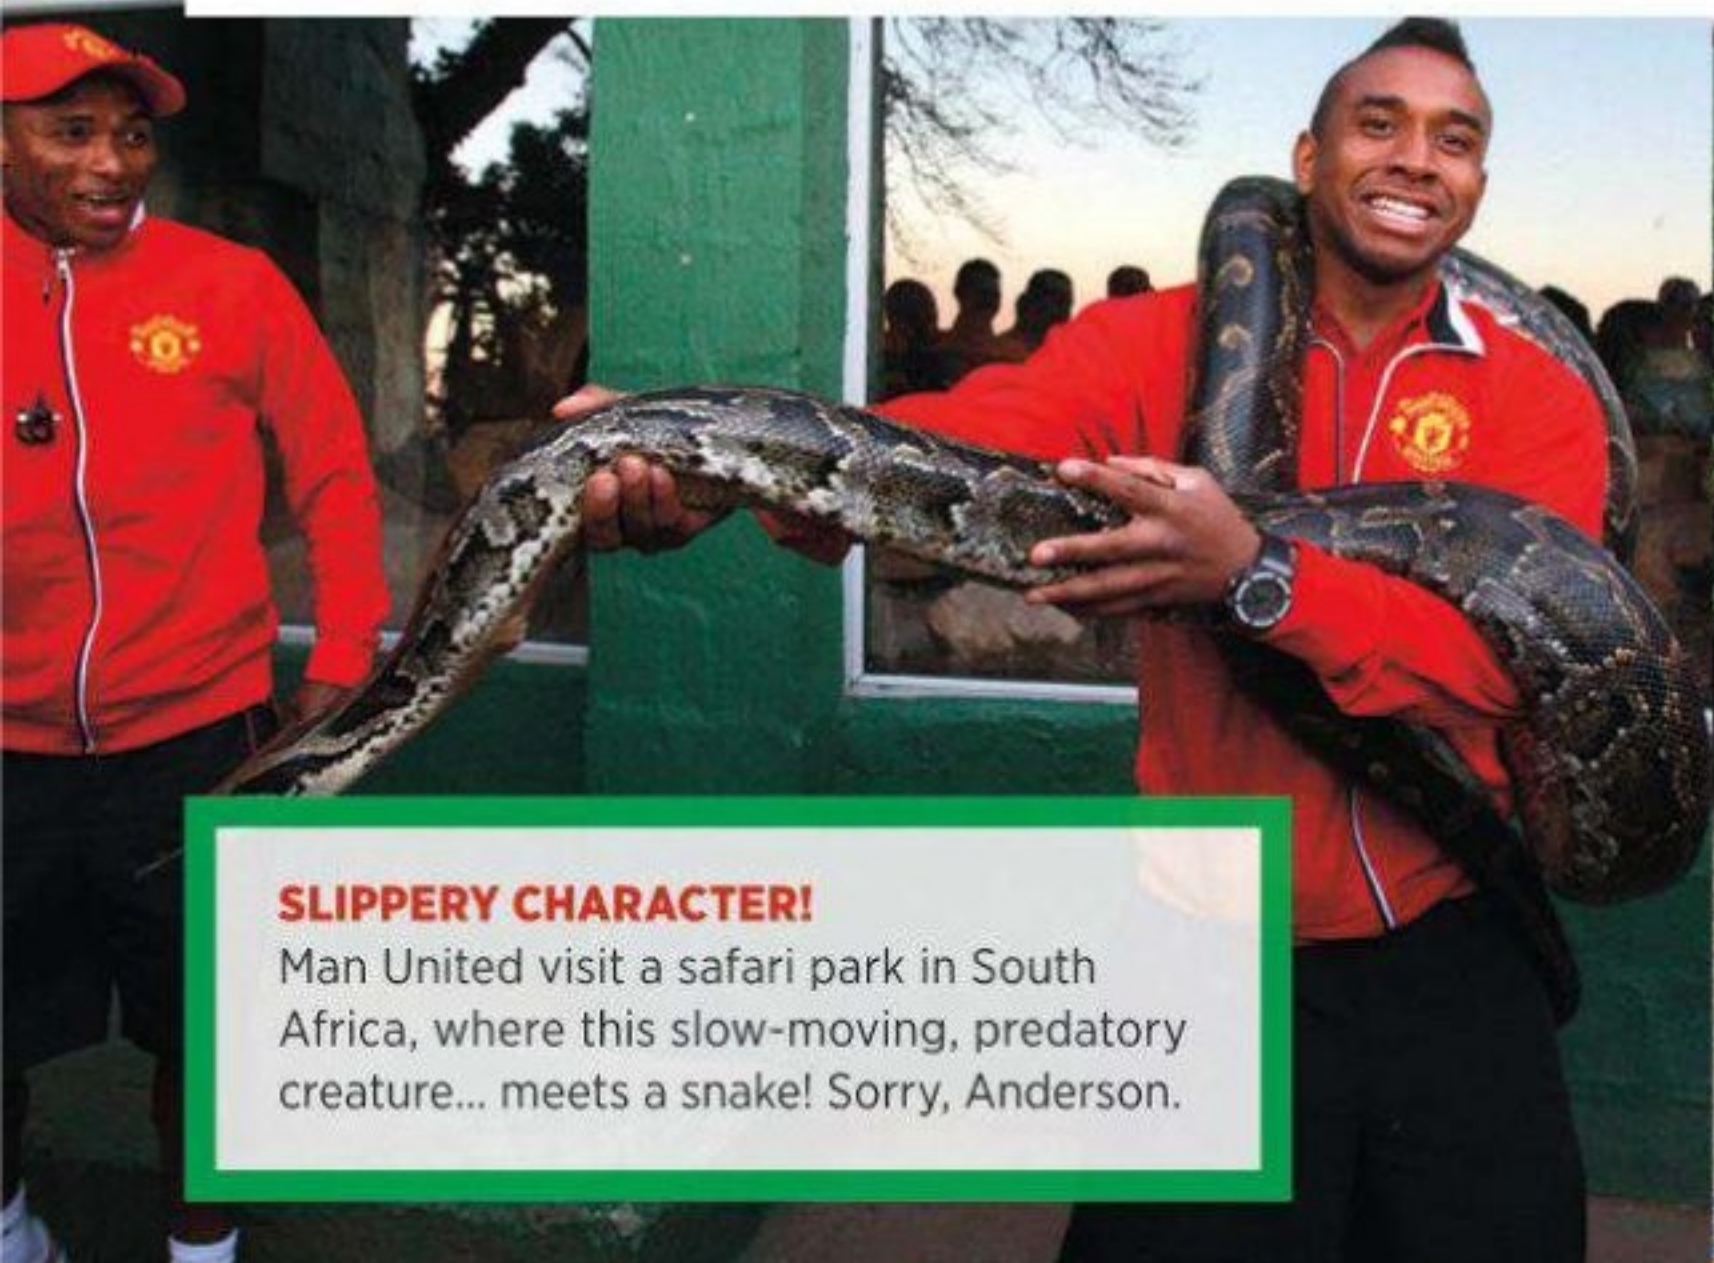

Footy stars looking extremely uncomfortable in faraway lands!

BEFORE ANY new season starts, all the big clubs tootle off on foreign tours to win new fans, pose for photos and generally make nice with the locals. And sometimes – quite often, in fact – things get weird...

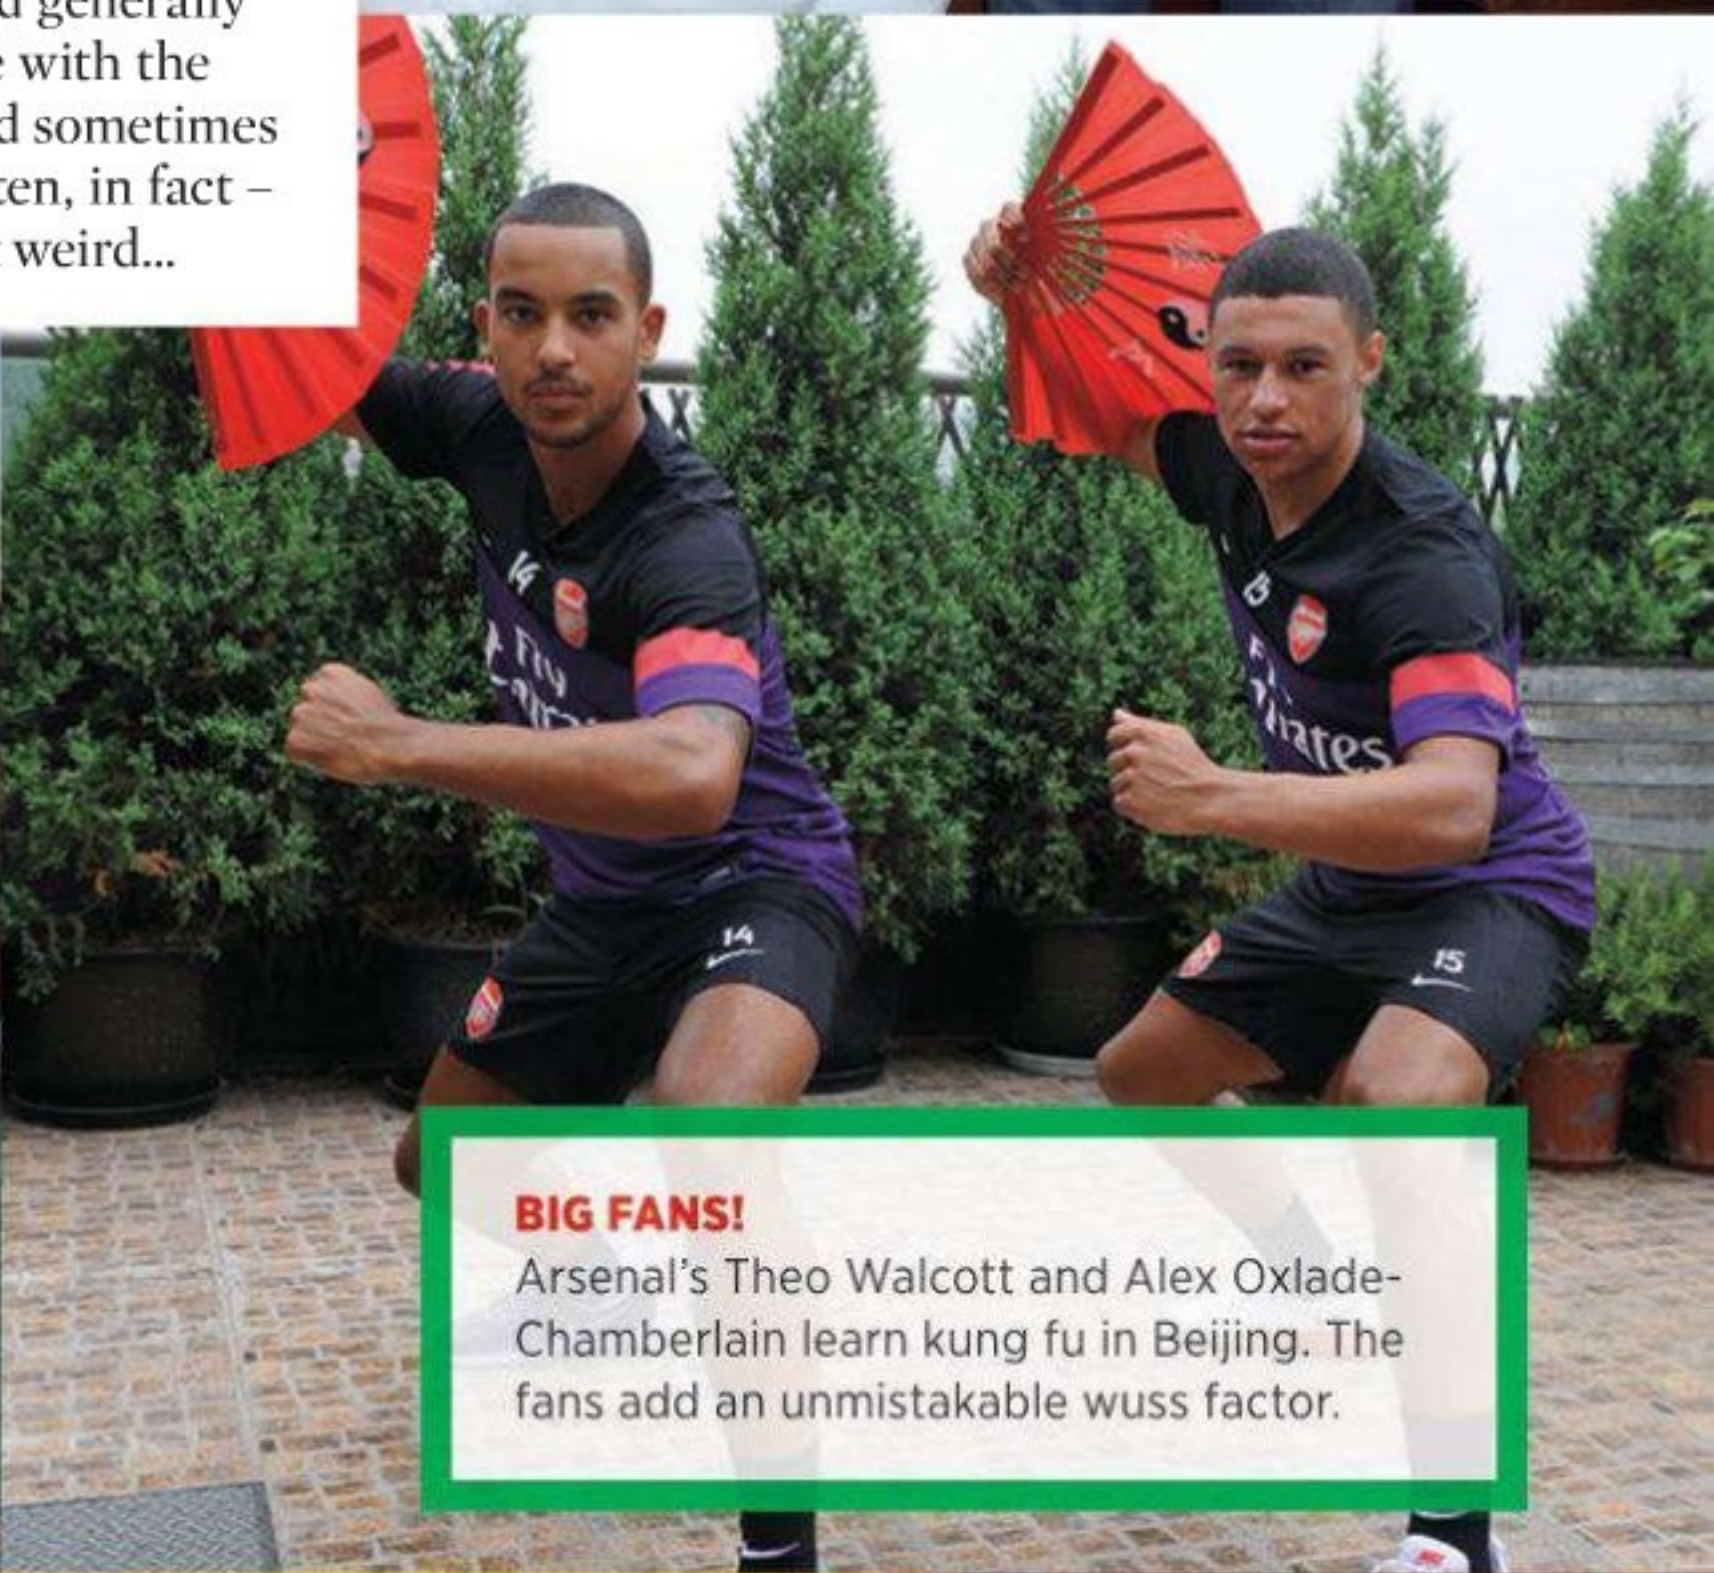

HOLLYWOOD BLUES!

Chelsea players hand Will Ferrell and Zach Galifianakis shirts in Seattle. Film stars are clearly too famous to smile in photos.

SLIPPERY CHARACTER!

Man United visit a safari park in South Africa, where this slow-moving, predatory creature... meets a snake! Sorry, Anderson.

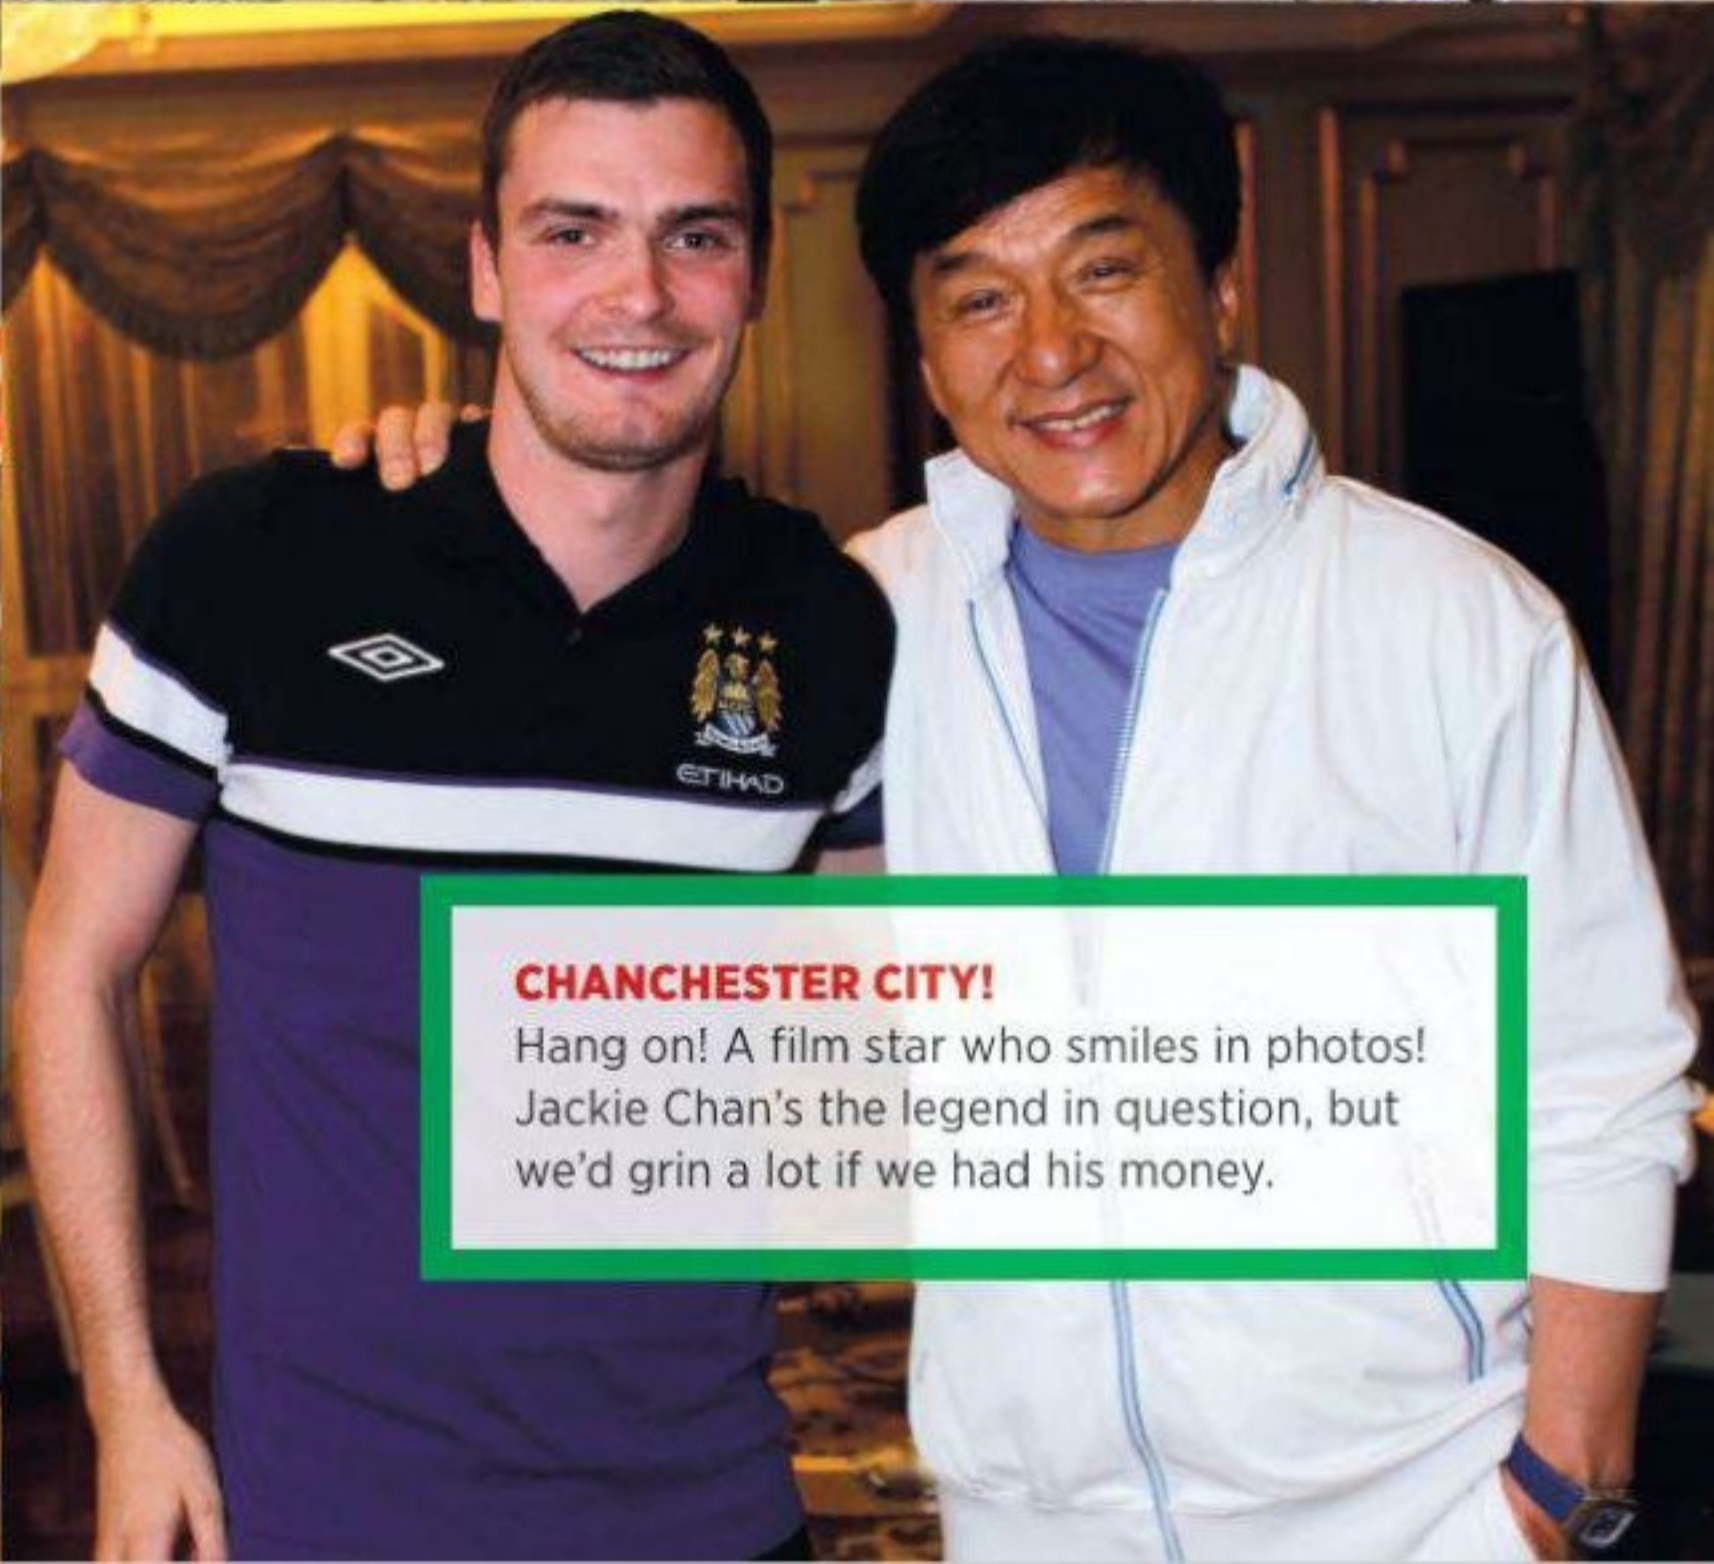

BIG FANS!

Arsenal's Theo Walcott and Alex Oxlade-Chamberlain learn kung fu in Beijing. The fans add an unmistakable wuss factor.

THIS ISN'T WORKING OUT...

In Nigeria, these Arsenal stars take part in the Malta Guinness Low Sugar Workout. We don't know what it is. Neither do they.

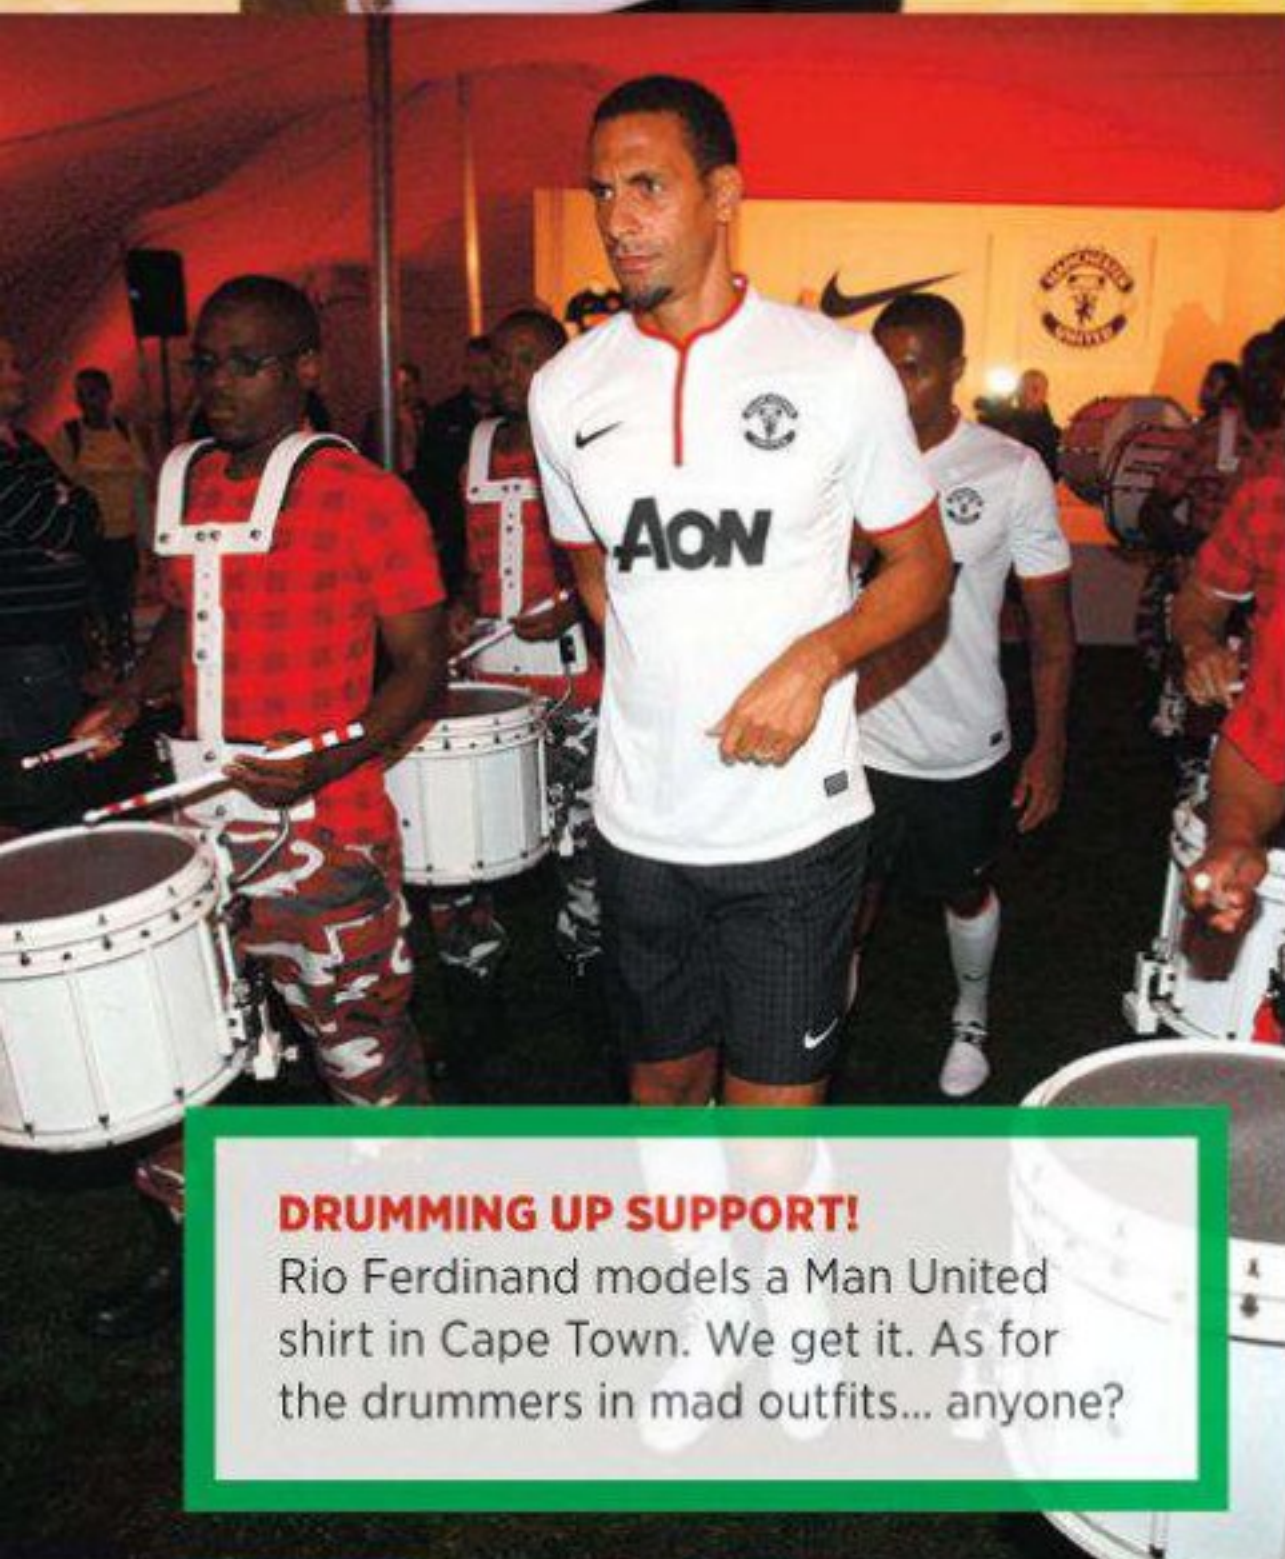

CHANCHESTER CITY!

Hang on! A film star who smiles in photos! Jackie Chan's the legend in question, but we'd grin a lot if we had his money.

BAFFLED BENT!

Villa's Darren Bent visits the Portland Trail Blazers basketball team in Oregon. Looks like he's having a right laugh.

DRUMMING UP SUPPORT!

Rio Ferdinand models a Man United shirt in Cape Town. We get it. As for the drummers in mad outfits... anyone?

BONDING!

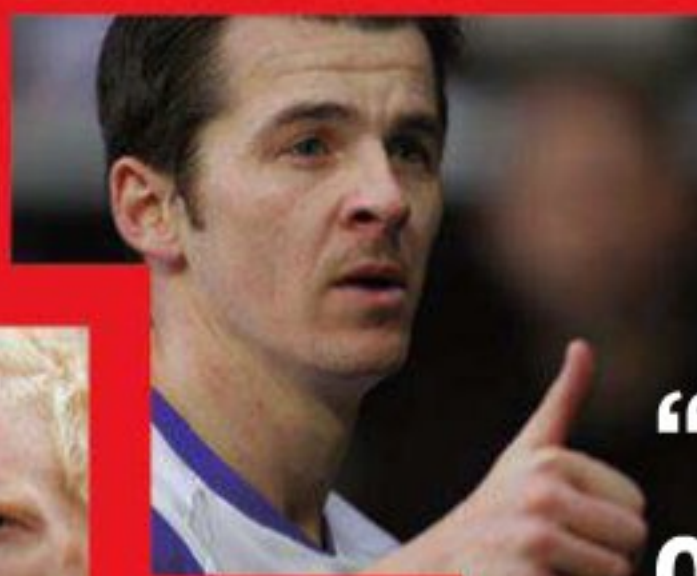

Steven Gerrard hooks up with Daniel Craig in Boston, and we revert to "film star not being arsed to smile" mode.

"Quote me on that!"

This week's biggest match debaters!

"I could run for 45 seconds all day"

That's a long 45 seconds, Iwan Thomas.

"It's balls-out football"

Joey Barton talks balls.

"If you have a look, there's nothing to look at"

We won't look then, Sir Ian Botham.

"Play for Barcelona? I do not play with girls"

Mario Balotelli won't be heading there then.

"I won't start making excuses but we had a few players injured who might have helped"

Roy Hodgson makes excuses

"We had horses at the front of our coach"

Hope Powell on some dodgy Team GB footballers.

"The ball was well out. By about a millimetre"

Andrew Castle on a huge narrow margin.

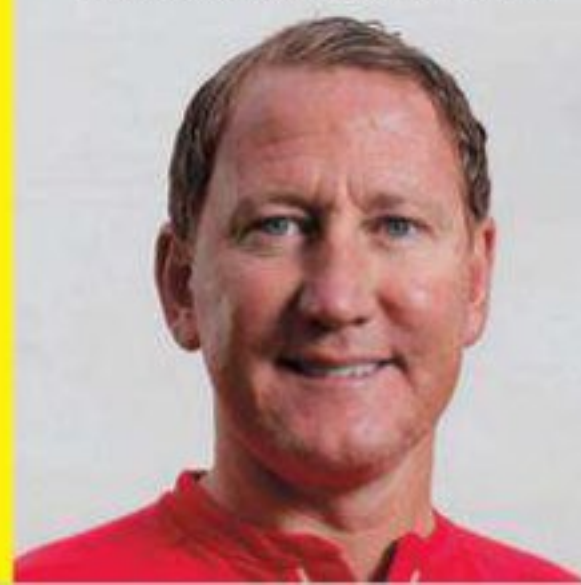

OO-ER SOUNDS A BIT RUDE CORNER!

"Hannah Miley's breast work is particularly good"

Mark Foster on the swimmer's fine form.

"Arsene Wenger once got the balls out but couldn't find the hole"

Ray Parlour spots a frustrated Frenchman.

"I'm past being nervous – especially when I feel myself"

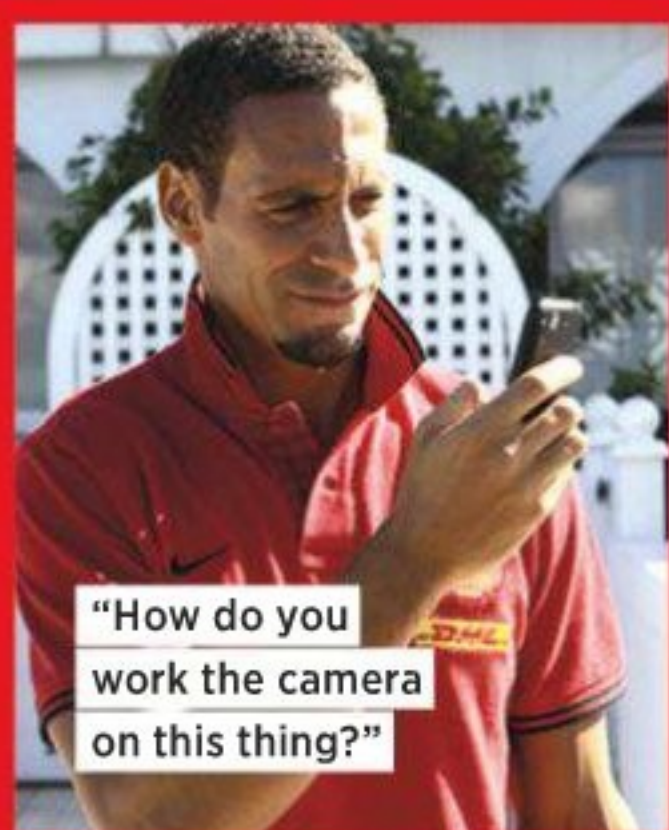

Usain Bolt enjoys a quick rummage.

KAMMY!

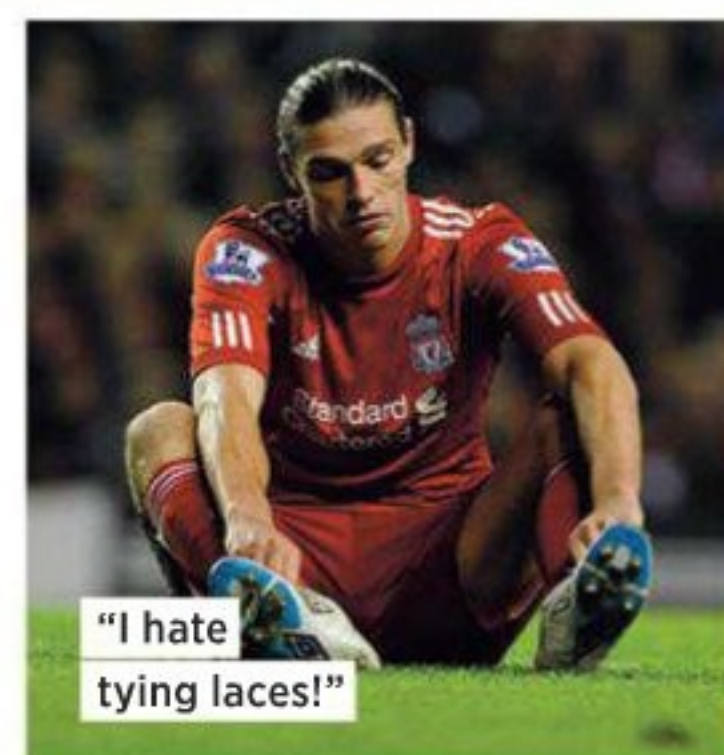

He's the voice of the fans – and he's only in *Nuts*!

"How do you work the camera on this thing?"

"Hang on a sec, fellas! I just heard my phone go"

"I hate tying laces!"

Stop trying to stop tweeting!

Shouldn't players have the same rights as everyone else?

➔ **THE FA** are wasting time and effort policing what footballers say on Twitter, Emmanuel Frimpong and Rio Ferdinand being the latest to fall foul of the association over tweets.

The FA have come out with all these rules and guidelines about social

media, but they forget that players are human beings. Why can't they have opinions like anyone else? If someone slaughters them on Twitter, why can't they respond? The FA are blowing things out of all proportion. And how can they suggest Rio was being racist? They're never going

to be able to prove that he wasn't taking the mickey.

The FA will either have to ban all players from using Twitter or accept that some people won't like what other people say. If a footballer puts his foot in it, an apology should be enough. Players should be subject to the same rules as the rest of us.

Heading south could work out for Andy!

LETTING ANDY Carroll leave Liverpool is a very interesting decision by Brendan Rodgers. He obviously doesn't see him fitting into the way he plays football – he plays five across the middle and I'd imagine he'll play with Steven Gerrard behind Luis Suarez.

At the time of writing, a loan move to West Ham looks most likely. Sam Allardyce will be good for Andy – people think of him as being a stern disciplinarian but he really doesn't operate like that. As long as Andy does the business, Sam won't mind what he gets up to. If he's not doing the business, that's when Sam's disciplinarian streak kicks in. Andy banged them in week in, week out up at Newcastle and I back him to start doing the same again.

Man City vs Chelsea

12 AUGUST • 1.30PM, ITV1/HD

I expect both teams to hit the ground running in the Community Shield. Chelsea are under pressure after their unexpected win in the Champions League. Roberto Di Matteo has worked wonders but Didier Drogba is a huge loss. City's overall quality may be the difference.

KAMMY'S PREDICTION: 2-0

Key man

Sergio Aguero could be even better than last season – he didn't need any bedding-in period so it's scary what he could do this season.

Three cheers for WBA

WEST BROM are unveiling a statue of "The Three Degrees", Cyrille Regis, Laurie Cunningham and Brendan Batson, who played in a time that was very difficult for black players. This is outstanding. Brendan now does fantastic work for the PFA, Cyrille is a top agent and Laurie was a great player sadly taken in a car crash. I can't say nice enough things about them.

Cyrille Regis:
a proper legend

Spare a thought for Rangers

I SPOKE last week about how Celtic are starting the season early due to Champions League qualifying. Well, spare a thought for Rangers, whose season began even earlier, at Brechin City in the Ramsdens Cup. They have to start again at the very bottom. Rangers fans should remember Wimbledon and the way they fought up through the ranks into the Football League. Rangers will come back up again and gain some credibility as they do so.

"And this one from
the Olympic judo"

Death rattle!

I'VE BEEN on a ranch in Nevada for a week and we went out on horseback into the desert. All of a sudden the horses reared as we crossed paths with a deadly rattlesnake! Luckily, a cowboy was quick on the draw and shot it without hesitation, and so Kammy lives to fight another day!

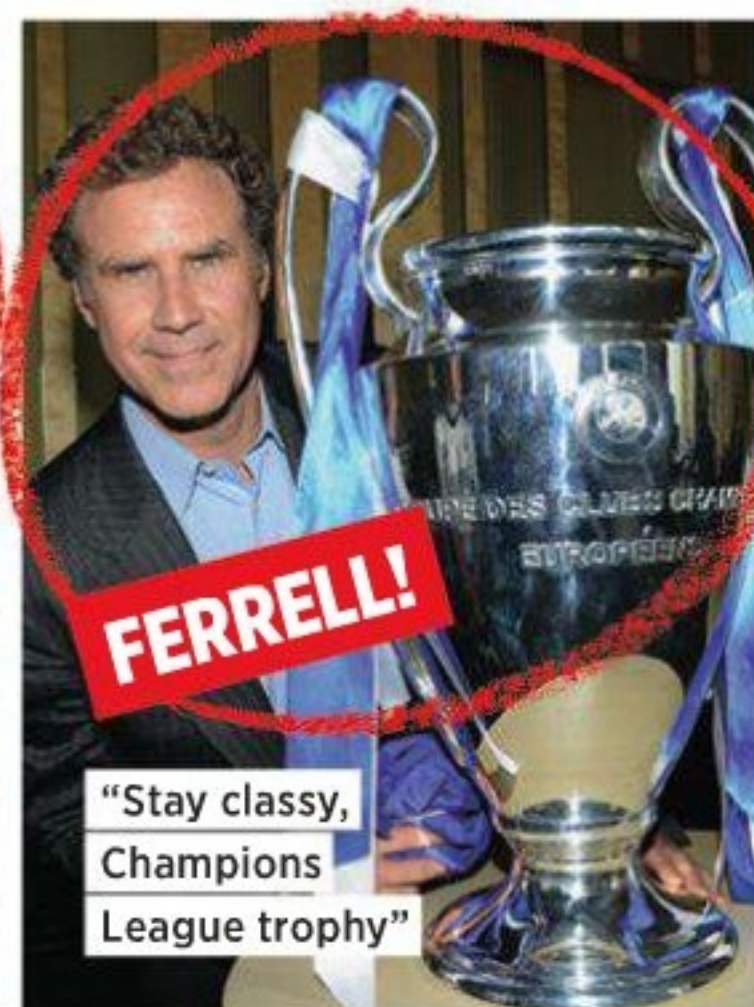

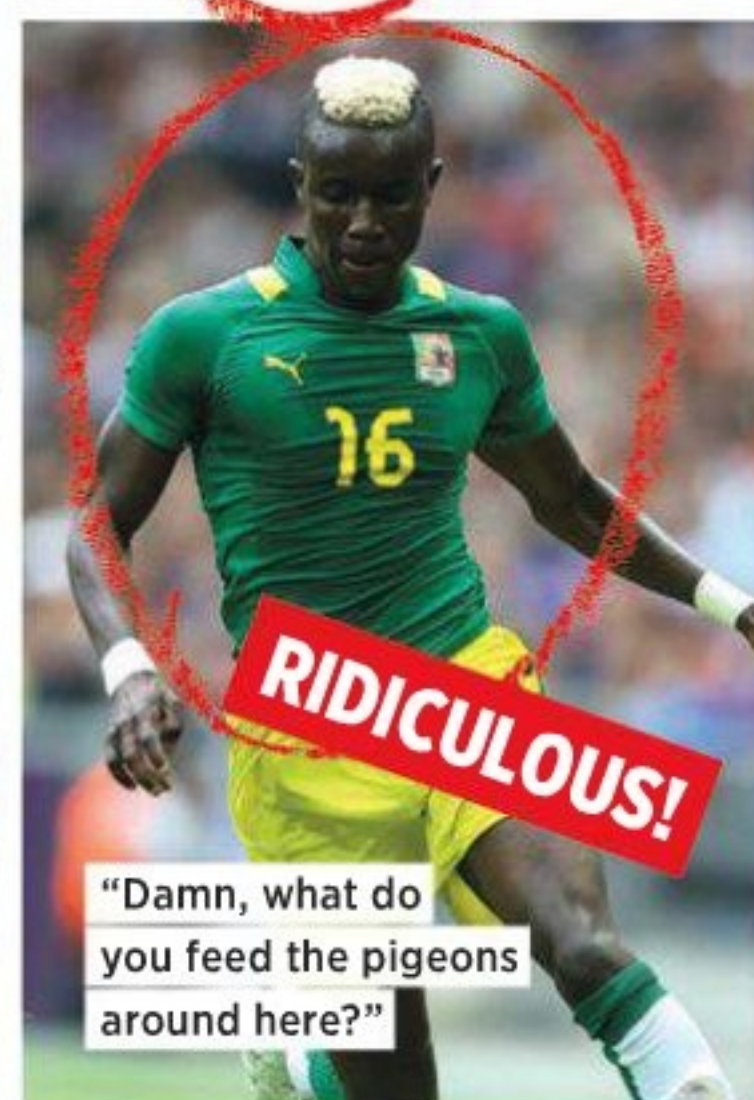

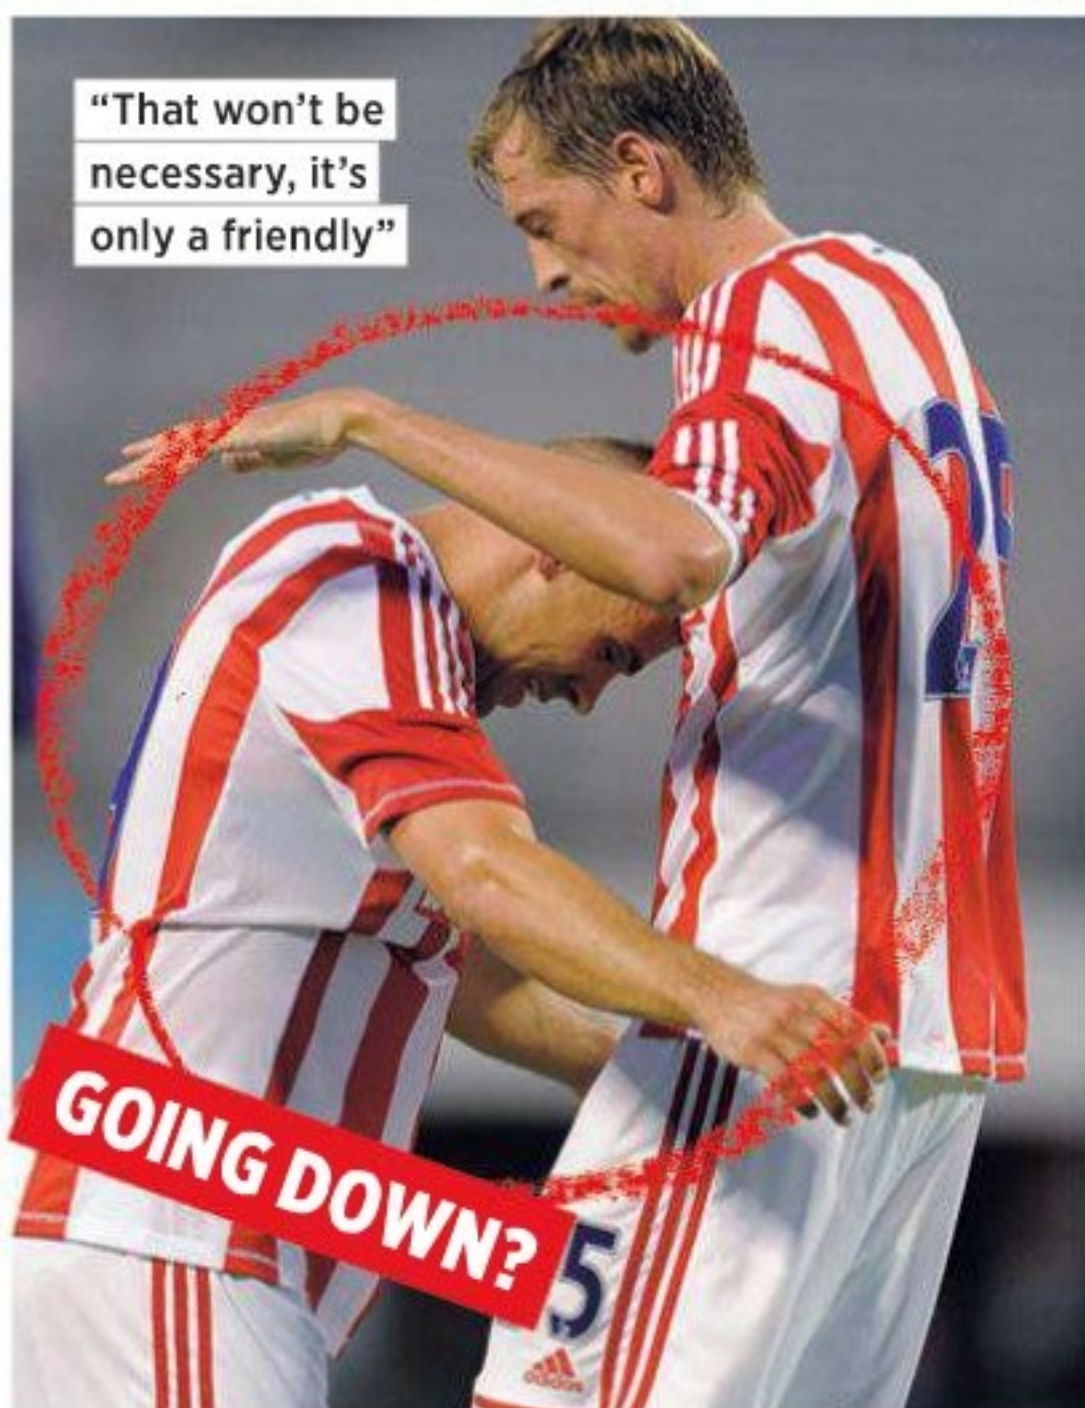

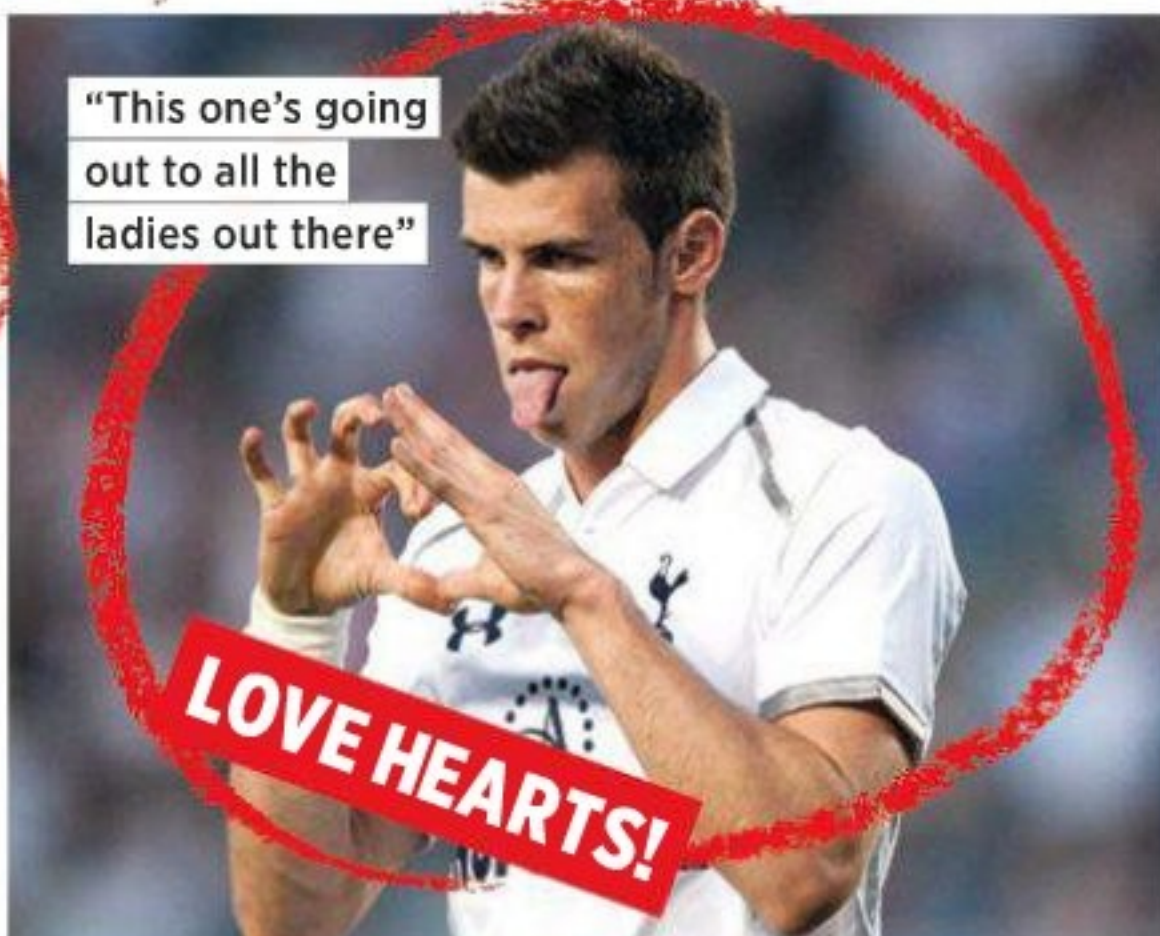

"No, I asked for
a football rattle!"
